

Adam Palmer

November 25, 1974 - January 20, 2019

In Loving Memory of

Adam William Palmer

November 25, 1974 ~ January 20, 2019

Adam was the third child born to Barbara Egan and Merrill James (Jim) Palmer on November 25, 1974. He graduated from Brighton High School in Sandy, Utah and later earned a Bachelor's Degree from the University of Phoenix in Information Systems Technology.

Adam started his professional career while going to college at Pacificorp working as a meter reader. After his college graduation, he was promoted to Computer Technician III. He worked 23 years for Pacificorp.

He married the love of his life, Darleen Howland Palmer, on June 26, 1998. Together they have four children; Kelcee (19), Kaden (16) Kambree (14), and Korbin (12).

He is survived by his mother Barbara Shackleford and siblings Wade (Cher) Palmer, Chad (Heather) Palmer, Val (Colleen) Palmer, Madeline (Paul) DeMordaunt, Lance (Yumi) Palmer, in-laws Don & Linda Hodges, Victoria Ross, Tim Howland, Skye (Liz) Hodges, Heather Hodges, and DJ (Brianna) Hodges.

Adam is preceded in death by his father Merrill James "Pops" Palmer, Step-father Ron "Papa Ron" Shackleford, Grandma Marjorie W. Farnsworth and brother-in-law Adam Ross.

Adam was a sensitive, loving and dedicated father and husband who loved to laugh. He was generally thought of as the "life of the party" and always seemed to find humor in everyday events with his off-the-wall comments and spontaneous personality. He always kept us laughing.

Adam endured a difficult trial of physical pain in his life. His love and commitment to his family empowered him to suffer longer than most would have. [1][1][1][1]

“ So saddened to learn of Adam's passing. I just found out today otherwise I would have been at the funeral. The Palmer brothers have always had a special place in my heart, they felt like the brothers I never had and we shared tons of memories together years ago. Adam was full of life, fun, and humor and will be greatly missed. Sending love, prayers, and support to your family at this time. Love your friend Tiffers, Tifferoni, Tifferama, Tifferooski, the names you and your brother came up with for me go on and on. :) Rest in peace brother!

“ Memories and love from Parkridge Drive! I am so sorry for the loss of Adam Palmer. I can not say enough about the Palmer family's contribution to this neighborhood. Imagine five little boys, and the most beautiful little girl, then five strong and fast young men, and their younger sister Madi (big sister to Lance). We love you Barbara. What a great job raising these kids!

“ Little did he know then, in about a half-hour, he'd be hanging his head over the side of the boat being sea sick!! Once that was over, he had a lot of fun catching fish and crabs. I believe this was back in 2008.

“ He was a good sport and made everything fun for all.

“ I want to let the family know how much I feel for their loss. Know that he was a good man and loved you all so much. Remember him for all of his greatness. I've known him all of his IT career and helped train him. We went to Portland many times for training and stayed over a couple of days to go fishing out on the ocean. He was always fun to be with and always made people feel good about themselves. He carried a large load at PacifiCorp with a large area and a lot of clients to take care of and had the respect of the team and his clients. I would tease him that he had it so easy that he needed to get some fake palm trees for his office resort. I would cover for him when he would take extended time offs so I really knew what a hard area to manage he had. He was good at what he did. I ask the Lord's blessings to be with the family, Darleen and the kids and his mother and siblings, to comfort them and sustain them through this ordeal.

“ I'm so sorry Darleen, and the whole Palmer extended family for the loss. We send our prayers and condolences. I remember a couple Palmer home parties and trips to Raging Waters where he truly was laughing and was the life of the party, along with his brother Wade. May comfort and memories of good times with him come and lighten your hearts.

“ Melissa Conger lit a candle in memory of Adam Palmer

“ To the Palmer family: Words cannot describe how very sorry I am for your loss, he will be missed by all who knew him. I sincerely hope that beyond your grief, you will find strength, hope and joy in the days and years ahead as you remember Adam.

I worked with Adam for many years and no one could fill the boring voids of life like Adam could. A favorite memory of all time occurred at work and came about because of Adam. There was nothing unusual about that day but with Adam's infectious humorous personality, we laughed ourselves to tears struggling to breathe over something silly. I have never laughed that hard since. He was talented in so many ways but I will especially miss the spontaneous laughter he so often incited.

My thoughts and prayers are with you as you mourn a tremendous loss.
