

## Archie L. Brady

July 31, 1922 - April 29, 2018

Archie Loren Brady, 95, of Pleasant Grove, passed away peacefully Sunday, April 29, 2018, exactly 6 months to the day after the passing of his beloved wife, Norma.

He was born July 31, 1922 in Duchesne, Utah to Loren E. and Phydonia Stott Brady. He was the oldest of 6 children. Archie moved to Pleasant Grove from the Basin when he was 12 years old and graduated from Pleasant Grove High School.

He served in World War II in the Army Air Corps, part of the 48th Fighter Group, landing on Utah Beach, in Normandy France, day 6. He also saw action in the Battle of the Bulge. At the age of 79 he told us, "I have nothing to give my country right now...I'm too old, my hearing isn't that good, but if my country calls me – I'd go! This country is worth fighting for."

After the war he met his sweetheart, Norma Edwards. They were married in the Salt Lake Temple on December 12, 194 and were together nearly 72 years. They had 8 children, Archie Larry (deceased), Norma Jean Anderson (Richard), Karen Zitzmann (Kurt), LeAnn Preece (Dan), Loren Pat (Susan), Taylor (Janell), Boyd (Sandy) and Lori Ann Pallas (Chris). They have 37 grandchildren and 89 great grandchildren, their posterity is 174.

Dad was a faithful member of the LDS Church and served in many capacities, he loved people, he was always so kind and willing to help others.

At the age of 31 he was involved in an industrial accident, eventually losing all the toes on his left foot, causing him considerable pain the rest of his life, he never complained. Dad had several jobs, his favorite was maintenance man at the Sundance Ski Resort, he was loved and respected by all he worked with, in fact a bike trail called Arch's Loop was named after him.

Archie had many hobbies, softball being one, in 1962 he pitched on the winning "All Church Fast Pitch" team. He made welding an art, he and Norma began a metal working

business, which is now called Western Iron. They loved spending time at Willow Creek, their property in Duchesne County, we all loved being there with them.

He is survived by his seven children and two brothers Evan Brady and La Ross Brady. He was preceded in death by his wife, young son Larry, his parents, brother and sisters, Lenore Nielson, Lester Brady and Ellen Tregaskis.

We as a family are so grateful for the services and kindness of the Spring Gardens Senior Living Center Staff and Brighton Hospice.

Funeral Services will be held Saturday, May 5th, at 11:00 am, at the Pleasant Grove 12th Ward Chapel, 828 South Locust Avenue, Pleasant Grove, Utah, where a Viewing will held prior to services from 9:00 to 10:30 am. Interment in Orem City Cemetery with Military Honors.

“ The Brady's were the salt of the earth and both Archie and Norma will be missed by all. Kyle and I enjoyed going up to Sun Dance and night skiing with Taylor and Boyd. Pat and I lived in the little apartment in the back when we were first married and the home was owned by some one else. The family can feel real proud of their parents. Thanks to the Brady family for their friendship and love.... Mark and Patricia Cluff

“ Archie was our home teacher several years and during that time he made us several wonderful iron decorations. He also made me a hose hook with an elk on it. He was always helping our family's needs like sharpening our hoes or mending my mom's cast iron dutch oven that had a crack in it, which I still use. He also made George a fisherman that is on our garage wall in St. George. We loved both Archie and Norma. Norma was the pitcher of the first softball team I played on. They set wonderful examples for us throughout their lives. I'm sure they will be missed tremendously. No matter the age of your loved ones, when they are called home, it's hard to let them go. My prayers and thoughts will be for you who are left to grieve. May God comfort you with happiness in knowing that your mom and dad are together again. Jan Kelly

“ Archie and Norma were such a great part of our ward when they lived on Geneva Road. They brought a spirit with them that can't be duplicated. They showed caring and love to everyone they meet. I am so glad that they are together again, Lyle and Deana Hillier

“ When we were kids uncle Archie used to let us play in his shop. We would get out items from his ww2 military chest and play army. It took 3 of us to carry his machine gun. I also remember using his cutting torch to cut the body off Aunt Norma's station wagon to make a dune buggy. We used up all of his acytelene and he just kinda fake smiled and said "oh you boys" In all of the many weekends I spent with Taylor I never heard a harsh word from Arch or Norma. Part of the reason was all of the kids did thier Saturday chores without complaint. The other reason was.... well.....they were Arch and Norma. We love you both and will miss you. You truly were examples of what the Savior asked us to be.
