“ It was a privilege to be able to get to know Art and Nancy in the Wild Rose Branch. I had the opportunity to meet with Art often and learned to love and appreciate him. He had a great love for Nancy and his family. I sat with him for many hours and listened to his wonderful memories and stories. I helped him write a short personal history that we were going to read in Elder’s Quorum but COVID came before we were able to share it. If someone from Art’s family will contact me at bnddsms@hotmail.com, I will forward a copy of his history to them to share with the family. Art will be greatly missed. We share your loss and express our condolences. Best wishes. Brent Nielson, Elder’s Quorum President, Wild Rose Branch
