Brian Mont Pulham

July 28, 1957 – August 22, 2015

Our beloved cowboy rode into the sunset Saturday evening. After a valiant two year battle with cancer, Brian Mont Pulham was surrounded by his loving family when he joined his eldest son, Jared, in heaven.

Brian was a quiet servant of our Lord and Savior and was a faithful and loving husband. He willingly served many throughout his lifetime. He taught his children to work hard, love others, and rely on the Lord. He learned from his personal struggles and used them to bless his family. He worked hard continually to support his wife and five children. Though he worked hard, he always found time to support his children and grandchildren in everything that they did. He was the loudest cheerleader at almost every swim meet, play, recital, and ball game.

Growing up in Pleasant Grove, Brian worked hard on his family's farm. He enjoyed horse riding, hunting, camping and leather tooling. He married his high school sweetheart in the Salt Lake Temple.

After graduating from Utah Technical College, Brian spent 39 years working as a collision repairman; 36 of those years were at Brigham Young University. His patience, kindness and gentle guidance touched many students' and coworkers' lives. He was willing to help out wherever he could.

He was a member of the Church of Jesus Christ of Latter Day Saints and served faithfully in all of his callings. He taught many skills to the numerous scouts that he led throughout the years. He was talented in many areas and found ways to share his knowledge with anyone willing to learn.

Brian is preceded in death by his son, Jared Mont Pulham; his nephew, Clint Arthur Adams; his niece Mary Elizabeth Powell; his mother in-law, Mary Lou Powell and

grandparents. He leaves behind his loving wife, Cherie; two daughters, Cherylee (Scott) Childs; and Sarah; two sons, Nate (Alison) and Jacob Daniel "JD"; seven granddaughters and one grandson who adored him; five sisters; Geri (Rob) Jones; Yvonne (David) Adams; Louise (Paul) Broderick; Nanette (Richard) Byrnes; Dianne (Kevin) Rosenlund; his father-in-law, Bill Powell; and his parents, Mont and Betty Pulham.

We are blessed with a knowledge that we will all be together again soon. So this isn't goodbye, just see you later, Cowboy.

In lieu of flowers, the family asks that you donate to the Fund for Brian M. Pulham at Bank of American Fork.

“ Cherie and family:

We were so sad to hear of Brians illness and passing. He was a wonderful example of selfless service and hard work and we felt fortunate to be your neighbors for many years.

One of the memories I have of Brian was when our oldest son turned 8 years old and joined the cub scouts program. His first pack meeting was the Pinewood Derby and he happened to win first place. I think Brian was the cub master or the committee chairman at the time. He presented Jake with a trophy that he had made from a slice of a tree branch with a machine part glued to it and it was truly a unique and classy trophy! I believe Jake still has it in his memorabilia box. Brian was resourceful and creative and served diligently in his callings.

We love your family and pray that the Lord will bless you with comfort, faith and the knowledge that you will be with Brian and Jared again someday. I'm sure there is a grand reunion happening with the two of them on the other side of the veil.

“ I add my amen to the things that were already said by others. I have known Brian, his wife and family for 35 years. They are such wonderful people. I know reading this they may wonder how it is that they have made such a huge impression, but it is all so true. You can always count on them. Brian could fix any thing. I called in absolute desperation one day, after having put Diesel fuel in to my car by mistake. I couldn't figure out why it sputtered and died. Brian knew what happened just by me telling him. He came to my rescue with his son Nate, and they cleaned out my tank; getting me going again. It was no small deal, and then they wouldn't expect any payment from me. But that's just the type of thing Brian did with every one. He would drop every thing, to help any one!

I could go on.....!

I was sad to see him suffer through his illness. I'm so glad I got to say good by the day before he passed away. He recognized me, and thanked me for coming. I am happy for him, but I will pray for his family to be sustained and comforted at this difficult time.

"God be with you, sweet Cherie and family, til you meet again"!

“ (From Amy) - When I was Primary president, Brian was the counselor that was over Primary. I loved working with him. He was always so willing to help in any capacity needed. He got teachers called quickly when needs arose. He was such an asset to the Primary. He loved helping anyway needed. The kids loved him.

(From Stuart) In times of difficulties Brian was always there. He was like a calming peace that would come into the room. We both served together as counselors in the same bishopric. Brian was always the first to take on an assignment. He was the salt of the earth. He was a true brother in the gospel to me. He assisted me as I was the new guy in the bishopric. I remember when I had a little of stress in my life & Brian walking with me in the parking lot of the church giving me words of advise & when I left that conversation there was a special spirit that was present & I knew all would be fine. He loved the scouting program. He was probably one of the most humble people I have ever met. He always could see the good in people. I never heard him talk ill of people. He would always want to go out to help whether it was helping someone move or if someone needed something fixed. He would always come over to help my parents when something would break at their house. I think one of the things he enjoyed the most was conducting at baptisms. He really enjoyed the wonderful spirit that was present at a baptism.

We sure love your family so much! Brian will be sorely missed! We know the Lord is so mindful of your family and is watching over you all.

“ Paul and I were heartbroken hearing of the passing of Brian. What an amazing, kind, selfless person he was. Thanks to Nate and Brian, and Brian's plethora of tools we were able to accomplish things in our home that would have otherwise gone undone. Our thoughts and prayers are with your family at this difficult time.

“ One year, I remember Brian and I went deer hunting above Walsburg and we jumped a two point buck. I got off the first shot hitting the buck in the hind leg, I chased him off the mountain to where he laid down in the river next to the main road. I proceeded to put him out of his misery wasting half of a box of shells and still didn't get the job done. Finally, from approximately 100 yards up the mountain, Brian shot him putting him out of his misery. After we got to Brian's parents house all I can remember is uncle Dewy, Brian's dad, shaking his head at us after telling of our adventure.

“ When Kevin and I were dating Brian would come with him to New Mexico to see me. We would go to the rodeos and the dances. When him and Sherrie was dating we would go to the drive-in movies and sit in the back of his truck and watch and eat sandwiches and drink pop. It was a lot of fun. After they got married we would get together and have eat dinner at their place or our place. He will be missed greatly. Love to all of you.
