Carol Joyce Harris
1932-2018

Our beloved Carol, died on 19 October 2018. She was born in Malad, Idaho on 22 Jan 1932 to Nephi Albert Bennett and Martha Leona Jenkins. Carol's great gift was a desire to give to and serve others, and she thrived in doing so. She was a faithful wife for 48 years to Wendell Harris until he passed in 1999. The four sons they raised all achieved the rank of Eagle Scouts, served missions, graduated with advanced degrees and have families of their own blessing Carol and Wendell with 19 grandchildren, and 33 great-grandchildren.

Carol was a member of The Church of Jesus Christ of Latter-day Saints, which provided many opportunities for her to give and serve. She is remembered with fondness by so many for warmth and authenticity as a Cub Scout den mother, early morning seminary teacher, President of ward and stake Primary, Young Women's and Relief Society organizations, secretary at Thurston High School, volunteer, neighbor and friend. There was always room in her heart for another friend and opportunity to give. In her later years Carol served missions in Chicago and Washington, D.C. Throughout her life, Carol has influenced thousands of people by her motto to 'use the light inside to out shine any affliction outside,' which she did with her smile and unconditional love.

“ Dear Sons and Families of my dear, blessed friend Carol Harris. I served with her in the Washington D. C. and we became very dear friends. Some of you I have met, I am her friend from Bountiful. Since the first of October I have felt that I needed to get in touch with her and found her phone number not working. I felt that she was either in a rest home or had passed. Little did I know that her service was only last week end. Had I known, I would have driven to Oregon for her service. I dearly loved her. I haven't seen her for over a year. We spent time together in Bountiful at Chuck A Rama. Oh, I will miss our relationship. My goodness, she did love her sons. She told me of a time when she needed a blessing and all four of her sons, dressed in white shirt and ties came to the hospital to give her a Priesthood blessing. She was so proud of you.
I pray the Lord's blessing on all of you and your families.
Good bye my dear little, funny, adorable, loving friend.
Til we meet again. Thank you for a great time.

“ Carol was an amazing seminary teacher. She was so patient with us stumbling in a little late every morning. After seminary we would pile into her Honda Accord and she would drive us all to school. She was one of the sweetest people I have ever met. I will always be grateful for her.

“ We first met your sweet Mother and Dad when our family moved to Springfield from Corvallis. We rented their home on Olympic Street.
Growing up in the same ward as your family was great. Your Mother always had a smile and a big hug for everyone.
I especially enjoyed having your Mother as my favorite Seminary teacher. She was always excited about teaching us, and sharing her testimony with us. We especially enjoyed the doughnuts and hot chocolate on some of those cold, wet Springfield mornings.
I'm sure your great parents are watching over their family until the day you are reunited again.
