

## Carrie Frampton

April 22, 1965 - January 14, 2020

Carrie Nan Farrer Frampton, age 54, passed away on January 14, 2020 surrounded by the people she loved most after a difficult battle against both mental and physical illness. She was born on April 22, 1965 in Provo, Utah. Despite facing constant opposition, Carrie had a genial and lighthearted perspective on life.

Carrie was a truly selfless individual, characteristics exemplified in her raising of three incredible children and her compassionate career as a nurse. Carrie always found ways to give of herself, even if it was only a small piece of practical wisdom.

In addition to her generous personality, Carrie was also the life of the party, able to light up a room with her wild, quirky personality. Carrie left the world with a legacy of goodness, choosing acceptance over judgment, love over hostility, and laughter over sorrow.

She is survived by children Whitney and Thomas Maycock, Brady Frampton and Diana Ma, Jordan and Nicole Frampton; parents Mark and Elaine Farrer; siblings Dolly and Kevin Rider, Vickie and Russ Johnson, Brad and Jan Farrer, Scott and Michele Farrer.

A Viewing will be held Thursday, January 23rd, from 2:00 to 4:00 pm at Utah Valley Mortuary, 1966 West 700 North, Lindon, Utah. Casual dress has been requested for those attending the viewing.

“ I loved growing up next door to Carrie. Although she was only a few months older than I was, she was in a grade above me in school so I looked up to her and wanted to be like her. Carrie was the coolest girl I knew and was so much fun to be around. My love and prayers go out to her family.

“ Gina Kougioulis Farrer I have started to write several times and then erase it. It is hard to put in words how much we adored and loved Carrie. She always put a smile on my face, made me laugh and cry, she was the best entertainer when we went camping and played BINGO. She entertained us all not by calling numbers but dancing, singing, quick one liners that had you laughing forever  
Carrie had a heart of gold, she loved her children and her whole family and friends. Carrie had love for everyone which made her unique. She worked with me for a while. We were a great team and I always depended on her talent as a RN and her respected her love for people with disabilities. Darrell enjoyed visiting her when we were at Mark and Elaines he loved her dearly and said he would miss her.  
Carrie always loved to tease her Uncle John she had a story about something he did, that everytime they were together she had to tell the story. Here is her story: Carrie tells the story of her Uncle John and while our family was at a wedding, Uncle John went up to a woman that he thought was Carrie, he started rubbing her shoulders and down her arms, then as Uncle John would do proceed to run his fingers through her hair and then just mess it all up while laughing. This poor woman stood up and turned around to see who it was, Carrie went up to Uncle John laughing as she was watching the whole thing from behind him. The whole evening she would walk by him and just roar in laughter. That laughter is what I will miss about Carrie she had such a beautiful smile.  
Carrie will always have a special place in our hearts and memories that will last forever. Thank you to the Farrer Family and friends for sharing your memories. We love you Dear Neice Carrie... Til we meet again...

Uncle John Aunt Gina, our Family, & Darrell.

“ Mark, Elaine and family. I have many memories of Carrie during the time I was Jack wife. Carrie was always so loving, caring and truly made me feel like I was part of the family. She called me Aunt which made me so happy. The last time I saw her a year ago she gave me a huge hug and said “How are you doing Aunt Pattie.” It melted my heart. Even though Carrie was going through a lot of personal things she always extended her love and compassion for others. Love you all.

“ I only really knew Carrie when we were young because I moved away but I have fond memories of my time in the circle... neighborhood parades, playing dress up, riding bikes to 7-11, red light green light and statue tag!  
Prayers for peace and comfort for all her loved ones during this difficult time.

“ I will miss growing old with you baby sis. We had dreams and plans. I am so glad I got to be your sister for awhile. I believe that you are with Jesus and you are dancing in the rain. I will do my best to be a good aunt to your children. You are missed by so many. I hope that those of us left behind will find peace and comfort. I love you forever.
