“ Dear Charlie,

I am so very grateful for the knowledge I have that families and friendships can be together through eternity. I believe we had close friends before we came to this earth and that friendship continues while on this earth and will continue when we leave this earth. We found our friendship again on this earth in the then small town of Pleasant Grove, Utah; both of us young fathers, and husbands, trying to do the best we could. We had great times watching and playing ball with our kids, fishing trips on the Green River, motorcycle riding, watching the Lakers and Celtics battle, playing practical jokes on others and doing all the things that make great friends. None of that compares to the times of the “bearing of one another’s burdens” that builds eternal friendship. We have held each other and “mourned with those who mourn,” sharing those times when we needed a strong shoulder and a listening ear.

My prayer is that you will find the great joy and happiness in the Spirit World that you did here on earth; so many of us counted on your contagious smile and laugh and just being “CHARLIE.”

Please give my Richard a special hug and my love to Chad and your family who are surrounding you with love and affection. Our Father in Heaven will bless your family here on earth and all of us your friends will do what we can to bless their lives.

Now go, keep up your genealogy work and help me with mine if you will. Hahaha Eternal friends are like stars in the sky, “you don’t always see them, but you know they are there.”

Thank you again for being my Eternal Friend and example. Until we meet again.
Love you man,
Terry

“ Charlie was one of my first heroes growing up in St.Helens. Dad(Dewey Kearsley) would take me to the high school football games on Friday night to watch Charlie. He was such a stud. Then go to church on Sunday and see Charlie at church and hope someday could be a baller like him. Great Great MAN!!!

“ I am a better father, husband, and person because of Charlie, Chad and Danny. They had a huge impact on me and all those they came in contact with. They dedicated this life to the betterment of all. There were many stories told in a classroom or on a ball field or fishing trips that were "True Stories". I am convinced that there is some truth in their stories somewhere. They captivated and motivated many young men to "pay it forward". Most of all Charlie gave me a best friend. Miss you all.

Thank you Danny. Thank you Chad. Thank You Charlie.
Well Done

“ Beverly and I were saddened to learn of the passing of Charles. He was a good friend during the time they lived in our Orem ward. Charles has a great smile and sense of humor and brightened each day for those around him. God bless his family at this time of mourning.

“ Hate to lose another great friend, I saw Charlie just a few weeks ago at his neighbor Lila Jensen's funeral -- he looked good and appeared fine, this was a real shock. So many great memories from the old 17th Ward when Charlie, Danny Smith and I hung together often and swapped fishing stories while camping with the youth. I have always had a very soft spot for Charlie and great respect, so he was the one I asked to ordain me to the office of High Priest -- many, many years ago. He was always a great mentor to me and considered him one of my closest friends -- going to miss seeing him cruise by my house on his motorbike, always with a toot of the horn and friendly wave. Much comfort though knowing he and Danny are trading stories again after a long embrace -- RIP good buddy, see you on "the other side" someday! Love and Condolences to Jeniel and all the Humble family members, we love you and wish you comfort and peace....
