

David Glen Frampton

February 20, 1968 - December 12, 2020

David Glen Frampton, age 52, of Orem, UT unexpectedly passed away in his home on December 12, 2020. He was the youngest of five children and is survived by his four elder siblings: Dale, Brian, Colleen, and Lorraine. David is also survived by his three children: Brittany, Shelisa, and David James.

David was born in American Fork, Utah to Franklin Blaine Frampton and Vera Pearl Wade on February 20, 1968. He was a graduate of Orem High School and a proud Eagle Scout. While he was in high school, he was an avid member of the Unified Program where he would travel across the state of Utah to explore and experience nature. He loved camping, hiking, and skiing. After high school, he spent time working with the youth at scout camp in Scofield and did everything he could to give back to his community and be outdoors. He also served a full-time LDS mission to Peoria, IL.

David had many skills and was very good with people. He worked as a painter and janitor for Alpine School District prior to becoming a full-time Facilities Manager for Orem High School. He loved all of the teachers and faculty at Orem High School, and he spent the majority of his career there. David also had his own carpet cleaning business, and with his many talents and kind heart, he was able to help countless friends and family members.

In his free time, he and his children would spend much of their time 4-wheeling, picnicking, and exploring Utah. He loved working on his red 1978 Cherokee Chief Jeep and stereo sound systems.

He was a very gentle and kind person. He genuinely cared for his fellow men, and his faith in the restored gospel of Jesus Christ never wavered. He only wanted the best for his children, and he gave them everything he could to make their lives the best they could be. He is deeply loved and missed.

“ I grew up near Dave, we were the same age... Went to elementary, junior high, and high school together... We were in the same stake growing up. He was always the nicest person I knew...I never once heard him say anything negative about anyone... I am sorry to see him go, and I wish I had stayed in touch. Praying for peace and Comfort for his family.

“ David was my best friend - more of a brother, really. We have been friends for 40 years. I have never met a less selfish person than David - he never thought of himself. He served everyone - his family, his friends, his employer, anyone that needed help. He always talked about someday doing the things he loved - camping, etc - but it breaks my heard to realize that the day will never come for him. I will miss him dearly.
