

David Robert Noxon

August 27, 1978 - March 19, 2017

David Robert Noxon, 38, passed away peacefully in his sleep on Sunday, March 19, 2017 in Orem, Utah. David was born on August 27, 1978 in Salt Lake City, Utah to Robert LeRoy Noxon and Sandra DeGraff.

David was born with a smile on his face, a smile which rarely left his lips and one which almost always found itself mirrored on the faces of those with whom he came in contact. He endured more trials than most in this life, but remained perpetually positive despite it all. He was always good for a huge smile and an even bigger hug, and his indomitable spirit remains a shining example to all who had the pleasure of knowing him. We'll miss his obsession with Mountain Dew (no ice!), his overly-detailed voicemails, his shoes that were always at least two sizes too big, his love of singing, that broad, goofy, toothy smile, his undying faith and burning testimony of his Savior, and perhaps most of all, his enormous heart that was and is capable of infinite love.

David is survived by his mother, Sandra, his father, Robert (Jerri Ann), and siblings, Amy, Jay, Jeffrey (Julie), Emily, Daniel (Erin), Rachael, Jessica (Scot), Amanda, and Matthew (Maddie), and many nieces and nephews. He is preceded in death by his loving grandparents and twin nephews, Benson and Lincoln.

We love you, David, and we long for the day where we can run, laugh and play with you again.

“ Dave would come to all the ward activities and one day we played some Frisbee with the ward at Nelson's park. He could throw that frisbee with perfect accuracy. He would also come play basketball and volleyball at the church and would show everyone up with his mad skills! He was always positive, optimistic and had a great smile! He will be missed greatly!!! May you enjoy eternal happiness!!!

“ I will never forget his contagious smile or infectious laugh! He made me feel special and I was always honored to accompany him to a school dance. He loved and accepted everyone and was the most tender hearted gentleman in school. I have continued to feel blessed throughout my life knowing I could call him a friend.

“ 9:30 p.m.
He was always really nice to me. :))) I kept offering to pick him up for church, but 10 a.m. was already too early. Now I feel bad. :(((

“ I played basketball with him one night, and he was on a roll. If he was open he would make it in the basket shooting with one arm. I was pretty impressed.

“ I can't remember the details of how or when I stood him up - if I had seriously committed to him that I would be there or what and if it happened once or more than once - but I do remember how nice that he was to me afterwards and how forgiving and still wanted to be my friend.

“ Dave has been a friend for many years beginning with attending Springville Jr High together and dancing together at several of the school dances. A few years ago he began frequenting the cafe at USDC where I worked at the time always saying "hi" asking for extra onions and lighting up the room with his smile. We enjoyed talking about trains, life, and many other things. He had such a kind heart, was always such a gentleman, and could always bring a smile to your face and make your day brighter! What an inspiration and an

example of strength to us all! My life has been touched by having had the opportunity of knowing such an amazing young man and for all the blessings he brought I'll forever be thankful! Until we meet again my friend!
