Comments

“ Donna was a special lady. She was the dear mother of my friends, as well as being backdoor neighbors. As previously mentioned, she was an amazing cook! I spent a lot of my growing up years at their home and remember how much she loved holidays, especially Christmas. Their house was always decorated so festively. After moving away from the neighborhood, I would frequently stop by her house for visits. She always welcomed me, and we would catch up on how everyone was doing. I'm so glad I had the opportunity to visit her when she was in the assisted living. Although we were not able to communicate very well, I felt that she remembered me and was appreciative of me being there. I pray that the family will receive peace and comfort at this difficult time. We will miss you Donna. We love you! Janie Craven Morley
