“ Greeting Family... I was skimming through a BYU Magazine and was shocked to see Doug's name there and was certain that it could not be my cousin. Sadly we missed hearing about Doug's passing and our condolences go out to the family even after 6 months. I suppose the last time saw Doug was when his father died as we moved off to Denver and now Phoenix. Jeanie and I send our love and heart felt best wishes as you meander through the trial of losing a loved one.

“ Orimi,

I was so shocked to see Doug's obituary. He was so young. I have been very ill or I would have come to the funeral to see you. I am so sorry. You have such a wonderful family and I have so many fond memories of teaching with you at Vineyard. My thoughts and prayers are with you, Orimi.

“ Although my time spent with him has been very scarce, I am very grateful to have been able to spend the few moments i did with him. I am very honored to have met such a nice and EXTREMELY QUIET :-) man, and also the beautiful family in which he was surrounded with. May God Bless you and your family during these troubled times and if there is anything i can do from such a long distance away PLEASE do not hesitate to call.

“ Kimbra and family- we are thinking of you all and hope that your memories and eternal tie to your dad will offer you a measure of peace. One of the best tributes to his life is that he raised such a wonderful daughter :] We love you!
