

F Glen Waldron

August 7, 1930 - February 20, 2020

F. Glen Waldron passed away Thursday morning, February 20, 2020, at Utah Valley Hospital and was surrounded and supported by family as he left this mortal life. Glen was born August 7, 1930 in Malad, Idaho. He lived in Samaria, Idaho until he was 11 years old when he then moved with his family to North Hollywood, California. He was the firstborn of seven siblings born to Fredrick T. Waldron, and Ruby Archibald: Betty Bundy, Clarence “Chuck” Waldron (deceased), Carol Davis, Gil Waldron, Floyd Waldron, and Audrey Evans.

Glen married Connie LaRae Pulaski on April 9, 1965 in the Los Angeles Temple of the Church of Jesus Christ of Latter-day Saints. He is survived by his wife, Connie; all of his nine children: Richard & Kimberly Waldron, Daphne & Kerry Herbst, Paul & Amy Waldron, David & Kristy Waldron, LaRae and Forrest Hopkins, Nancy Price, Anne-Marie & Robert Bishop, Matthew & April Waldron, and Alison Waldron. He is also survived by 59 grandchildren and 38 great-grandchildren.

Glen served a mission for The Church of Jesus Christ of Latter-day Saints in Sao Paulo, Brazil between 1949 and 1952. When he returned from his mission, he served in the US Army where he successfully completed Ranger school and served active duty in Germany from 1953 to 1955 with the “Big Red One.” He graduated from Brigham Young University with a Bachelor’s degree in 1959 and later received a Master’s degree from Long Beach State in 1972.

Glen began his teaching career in the Anaheim School District where he taught at Savanna, Kennedy and Anaheim high schools. In 1971, Glen left teaching public school to teach institute for The Church of Jesus Christ of Latter-day Saints. He was an institute instructor at Mount San Antonio Institute of Religion and then became an institute director at the Costa Mesa Institute of Religion. After a few years of teaching institute, he was hired to work for the BYU California Center where he helped to run Education Week and other BYU programs in California. After serving as the BYU California Center director for several years, he transferred to BYU in Provo where he was an evening school counselor

and then an administrator for BYU Continuing Education. He retired at the age of 74 after a long and fulfilling career in the field of education. Anyone who knows Glen knows that he was an energetic ambassador for these educational programs which he vigorously promoted until the end of his life.

Glen loved the Savior, Jesus Christ and was a tireless servant and missionary. In The Church of Jesus Christ of Latter-day Saints he served in many teaching positions. He also served as a Bishop; as a branch president three times: in Germany, in a YSA branch and at the MTC; as a high councilor in several stakes; and as a BYU stake mission president. He and his wife, Connie, served two missions together, a service mission at the Transient Service Office and an 18 month mission as Stake MLS missionaries from 2014 to 2015. This brought them both great joy. Although he was baptized at 8 years old, he experienced a whole-hearted conversion at age 16. Since that time he was an avid reader of the scriptures and one of his greatest accomplishments was reading the Book of Mormon daily without missing for decades. He was full of enthusiasm and energy for his family, friends and the gospel of Jesus Christ.

“ I remember "Brother Waldron" when he was the director of the Costa Mesa Institute of Religion in Orange County, CA in 1974. I was a part-time secretary at the institute and he and Connie always made me feel like family. What I loved was when once a week he had a day when he would bring one of his kids to be with him at work. It was so cute and fun to hear them interact. He was such a good dad. And always had a positive attitude and a great sense of humor. A great example to me of what family life should be like. - Charmaine Hoffman

“ I had the privilege of serving with Glen and Connie in the missionary program of the Orem Northridge Stake. His infectious smile, unfailing good humor, and his ability to make everyone feel like they were his best friend were an inspiration to me. My sincere love and condolences to Connie and all the rest of the family. I really wish I could be like Glen if I ever grow up.

“ Man, I loved him and his jovial demeanor and smile. He was always so kind and gracious toward me, much more so than I deserved! His words echo in my head more often than you would think to always have "clean hands and a pure heart", and sometimes phrased as a question. He is a great model for how I can better show kindness to those around me, and especially to friends of my children, and inspire them to turn to our Savior Jesus Christ.

“ When we would visit Grandpa in the summer we'd wake up early to pick boysenberries before the sun was too hot. I cherish those early mornings of picking berries with grandpa in our pj's. He made us feel so special that we got to help him pick these big, beautiful, delicious berries in his garden.

“ When my family arrived in Utah we literally had no where to stay, hotels were all booked because of a conference unknown to us. He offered us a roof over our heads, a warm smile and contagious laughter that I will never forget. He would always greet my father joking and saying, “One (JUAN) ... two, three! He always let his light shine. What a powerful example of a true disciple of Jesus Christ he was. Love you!

“ Always remember a sacrament meeting talk when he stated two things that have remained with me. “ I don't want to die dumb”. AND “I don't want die before I am dead “” What a great soul and friend. Best to the family. Ray and Leslie Taylor

“ Dear family of Glen,

I, Adele Hepburn Livingston grew up in the No. Hollywood Ward with Glen. I remember being 12 when he left for Brazil on his mission. My future husband, Jack Livingston, knew Glen in Brazil, as a missionary.

He was always a great person and looked up to by many. He came from a wonderful family. Heaven is a better place with him there.

Our condolences to all his family.
