

Gene Hansen

January 19, 1954 - July 29, 2018

Gene Hansen passed away July 29, 2018 surrounded by family and friends. He was born January 19, 1954 in American Fork, Utah to Alma and Bernice Hansen.

After graduating from American Fork High School, he began his career at United Parcel Service where he worked for 28 years before getting a medical retirement. Throughout his career at U.P.S Gene met many people and made several friends. He was well liked by all.

Gene enjoyed woodworking, traveling, boating, camping, and cooking with dutch ovens and was considered a master. He enjoyed snowmobiling with friends and family and was a fixer of all things. He always had a project he was working on whether it was for family or a friend. His greatest quality was selflessness, he loved all and was very passionate about people and it always showed. It didn't matter if you were a friend or a stranger he was always willing to serve. Most of all he loved children, particularly his grandchildren.

Gene is preceded in death by his parents, and two children, Ryan and Kellyn Hansen; sisters-in-law, Tiffany Warner and Beth Hansen. He is survived by his brothers and sisters Gary (Judy) Hansen, Lloyd (Rebecca) Hansen, Kal Hansen and Lanice (Gerald) Webb; two sons, Mitch (Ashlea) Hansen and Jared Hansen; grandchildren, Krysa, Peyton, Jordyn, Sierra and Ayla.

“ Dear Jared & Mitch, I was so sad to hear of your dad's passing. He was always such a sweet guy with a smile on his face. From the time the kids met you till now, your friendships have lasted. Love seeing him when he delivered packages from UPS, he always made sure it got to the right place. He will always be with you watching over & taking care of you. Just a whisper away. Talk to him often, he listens. Our thoughts & prayers are with you all at this time.

“ He delivered commercial UPS packages to stores for many years. I recognized his face and name immediately. Thousands of pounds per day. Millions of packages. Always happy, smiling, working hard to get it done. He retired, we missed him.

“ So sad for everyone that knew Gene. He was always with smiling people around him. He just had that personality. From kindergarden through High school we were friends. After that it was always a special time when we hung out. I will miss those times.
See ya later old friend.

“ It seems like I have known Gene for ever. We went to Forbes Elementary together. He was always laughing and teasing everyone. His family lived a couple of blocks from us. I hadn't seen him for a long time and them about 6 years ago I was camping at Lake Side RV Resort in Provo and ran into him. I knew him instantly. Still the same smile and laugh. I have seen him many times since then as my family likes to camp there. I have enjoyed talking to him and seeing him with his granddaughters. Giveing them rides in his cart. My condolences to his family. My prayers are with you. He will be greatly missed.

“ I met Gene in 1990. Almost every memory I have of him since then brings a smile to my face. He would always say the right thing to lighten the mood. He was a great friend to many of us at UPS.
