“ My mom was the most loving, understanding, non judging, best listener, friend/mom a girl could ever ask for. She made birthdays a week long celebration, made me feel so special by putting pictures of past memories of me up, letting me choose my favorite foods, inviting 12 girls to stay over night. decorating with my favorite colors, usually getting me whatever my heart desired. What a wonderful woman I had for a mom. Every holiday she made special. I'm going to miss her dearly. If I could have one wish it would be to be half the mom to my own children that she was to me. Thank you mom, I will always hold her dear.

“ Georgeann Longman was one of my most favorite people! She was kind and loving to those around her. I admired her love for her dogs and family. She went through many physical trials in this life and I am grateful she is not in pain anymore. I know I will see her again. I loved getting little messages from her even on the day of her passing and appreciated knowing she was thinking of me. I'm sure she is so happy to be with her Son again! Til we meet again Georgeann!

“ I am Georgann's granddaughter, I remember her taking me to the movies. She always spoiled me and my family mom and brothers at Christmas time and every holiday there was, even when it wasn't a holiday she spoiled me. She would hug me and not let go.... I loved her and I know she loved me too. I will miss her dearly but also know that her spirit lives on in me and the people that knew and loved her, bye grandma until we meet again in a better place.

“ I will miss my best and dearest friend of over fifty years. There are so many memories from our vacations trips luncheons and just being best friends to keep her alive in my heart forever. She loved me unconditionally no matter what. She was so giving and so forgiving. We shared many many laughs and some treats but it was always together. I will miss you so much. She has been such a huge part of my life I will miss you my friend until we are together again.

“ She was my favorite sister in the ward... I will so miss seeing her and getting a big hug every time I saw her! Love you Sister Longman! Comfort and peace to the family.

“ Dear Family, I loved Georgann. She truly had a compassionate heart. She helped on our last class reunion. She never missed a meeting and was so "real" and delightful. She visited me twice at Stonehenge and brought me a little sign that said "hope" while I was wondering if I would ever walk again. While she was there, she went down to physical therapy to say "hi" to the physical therapist she had while she was there. He loved her, I could tell. She was always the first one to lift a load. And she was always so quick to express her love for others. I loved seeing her at some of the lunches with the class reunion committee. In fact, as I wrote to her in a card, she was the reason most of us came. We got such love from her. John, thanks for taking such good care of her. Family, she adored you. She has had many trials and you have been right there with her. I will be at her service. Surely she must have a wonderful reward in heaven. She had the heart of a true disciple.
