

Georgia Baird

November 14, 1942 - September 8, 2016

Georgia Dickson Baird was born on November 14, 1942 to Henry and Geneva Dickson in Tacoma, Washington. She passed away on September 8, 2016. She struggled for many years with heart problems. However, she had a loving heart. She had a love for everyone she came in contact with.

She loved to read, paint, bake and quilt, along with many other things. She gave away most of what she made. She loved to serve her family. They were the beneficiary of many of her projects. She loved to give of herself.

She held many callings in her lifetime as a member of The Church of Jesus Christ of Latter-day Saints. Her favorite callings were when she was the youth choir director and her service in the temple. She considered her service in the temple as her mission as her health would not allow her to serve a mission.

Georgia and Frank moved to North Edwards in 1970 and have made many lifelong friends in the 46 years they have lived there.

She is survived by her husband, Frank Bassett Baird, her children, Michelle (Douglas) Clay, Wenatchee, WA, Diane Wammack, Snohomish, WA, Carl (Krista) Baird, Gering, NE, Louise (Robert) Miller, Lehi, UT, Frank (Shanna) Baird, Vancouver, WA, Emma (Jonathan) Sherrill, Orem, UT, Eileen Harrell, Navarre, FL, 30 grandchildren, 11 great-grandchildren and 1 great- great-grandchild, 9 siblings and their spouses and many cousins, nieces, nephews and friends.

She will be missed by all.

Funeral Services will be held on Friday September 16th, at The Church of Jesus Christ of Latter-day Saints in North Edwards, CA, at 11:00 am, where a Viewing will be held prior from 9:30 to 10:30 am.

Interment and Graveside Service will be held Monday, September 19th, at 11:00 am, at the Lehi City Cemetery, 1100 North 400 East, Lehi, Utah.

“ Heavenly Father needed a very special angel... Georgia was certainly an earthly angel!!
We worked together for many years as ordinance workers at the LA Temple... Everyone absolutely adored her... She was so very kind to all the workers and especially to the every patron...
I can just see her dancing and singing... greeting all her friends and family members...
She will surely be missed... But we have wonderful memories of this lovely, elect, godly lady!!

“ Having grown up with her daughters, I was the beneficiary of her kindness and generosity often. She was my ride to dance class or church and school activities, another mom when I was in their home for a sleepover or camping with their family in the summer, my young women's leader. And I loved being in youth choir under her direction. The songs we performed are still in my heart and continue to strengthen my testimony 20+ years later. She was a great example of womanhood and motherhood and service and I am grateful for her example and kindness.

“ I remember the times Georgia and Frank would visit us in Orem while they were going to BYU. I loved getting to know them and appreciate the time they took coming to see our family. She was a super positive and happy person. I will miss you, cousin!

“ I remember Georgia playing games with the family. Oh how she loved to win when playing against Robert and Louise's family. She was and is a wonderful woman. It was a pleasure knowing her.
