“ *My condolences to the family, especially Brandon.*

I was shocked to read this as I was just checking out folks from the past on Facebook, never expecting to read that.

I worked with Marie at what was then called San Francisco Bay Area Council from 1999-2005, we both served the youth in Oakland (Peralta District). She was super dedicated and had raised up a solid team around her. She was amazing and had wisdom to share. And the Girl could make you LAUGH! She had stories to tell!

I look forward to meeting her again in Heaven.

If it is possible, I'd like to attend her service.

Sincerely,

Cindy Watts
