“ I enjoyed so much Harvey's vivacious character. He shared many interesting stories and experiences with me. I was impressed by his ability to remember details about people he knew and places he visited, and by his caring manner. We will miss him. Lorraine, our thoughts and prayers are with you and your family.

“ Although I saw Harvey only a few times over the years I feel that I knew him well from my husband, Jerry, telling me about the great times they had together as brothers. Harvey was always interesting to talk with because of his fantastic memory of all his interesting experiences. He will be greatly missed by his family and friends.

My deepest sympathies to the rest of the family.

With love, Susan

“ "One of my favorite memories of grandpa is when he would take my sisters and I to store, he'd start whistling and the next thing we knew he was running down an aisle causing us to chase after him. When we had caught up with him he always had a big smile on his face that was replicated by us."

I love you Grandpa and i'll miss you. As the song says God be with you till we meet again!

“ I will most remember how Uncle Harvey expressed such excitement and interest in learning and that he seemed to maintain his love of learning throughout his life. With his phenomenal memory, Uncle Harvey was a wealth of information in all kinds of things. Plus he was always willing and eager to take the time to share his knowledge with others. His warm, kind spirit will never be forgotten.

My deepest sympathies to the rest of his family and to all of his friends. I know he'll

be terribly missed.

“ Oh how I love Uncle Harvey! I loved every moment I had with him. When I lived in Provo Uncle Harvey and Aunt Lila invited me to their home on many occasions. Conversations with them was always amazing and the treats Aunt Lila made were always special. It was during a time when I would get homesick but they always made me feel an important part of their family! I loved spending time with Lorraine and Sam too. Having conversations with Harvey was always wonderful as he made me feel so special. I love you Uncle Harvey and I will miss you. Hug Aunt Lila for me! Until we meet again...I look forward to chatting with you
