Mom was loved by all and had an amazing attitude throughout her life. She came from very poor roots just after the great depression and was the toughest lady I have ever known. Even when she was near death and was asked how you are doing, her response was, "I've never had it so good!" Mom had an amazing sense of humor and that humor was there right up till the end.

A Viewing will be held Wednesday, May 19th, from 6-8pm at Utah Valley Mortuary, 1966 West 700 North, Lindon, UT 84042.

A Viewing in Texas will be held Saturday, May 22nd, from 1-4pm at Colonial Funeral Home, 625 Kitty Hawk Rd, Universal City, TX 78148.

Ida will be buried at the Ft. Sam Houston National Cemetery in San Antonio Texas.

“ Sister King is a sweet and caring daughter of God - she's always sharing her love of our Savior with others and helping uplift them. You'd never know she was down about anything... if she ever was. It was so fun to see her light up when she was with family - she loved her family and especially her grandchildren. She talked about them often.

A few of my favorite things was if you ever asked how she was doing she always replied with "I've never had it so good!" It always helped me put things in perspective. Whenever I saw her I was certain to greet her and ask her how she was doing so I could hear that favorite phrase and uplift my heart.

She also was always wearing some insect broach - always interesting and we often talked for quite a while where and how she came to them. I loved the bees - my favorite! Later on she had Ed wearing them... she got a little giggle out of that I think.

Love you IDA! :)
