“ Both Ila and Clyde were quick with a kind word and a container of Divinity. Both Sheila and I were blessed to have them as friends. It's comforting to know they are together again.

“ A woman who indeed loved her family, my sincerest condolences. Dale and Dennis Gum were my classmates at Tumwater High School (Class of 1976) and I want them and their families know I am with them during this sad time. RICKY

“ Aunt Ila was one of my favorites. I remember when I moved back to Utah to start my job at BYU. She and Uncle Clyde helped me so much during that time--they were like second parents to me. I know she was like that with so many people--always giving, always loving. My heart breaks that she is gone. My heart goes out to her children, my cousins, who have lost both their parents in such a short time. My prayers are for all of you. She will always be remembered by me and my family as a great blessing in our lives.

“ Dear Diane, Ross, Sherrie and Melanie,

Your Mom was such a wonderful friend to my Mom in Pleasant Hill, California all those years ago! I also have very fond memories of when Ila babysat me in 1965-66, and you kids were so nice to me. Ila was such a nice lady with a beautiful smile, and she will be missed by so many people who loved her. It is hard to lose a beloved mother, and I pray that the Lord will bless you with comfort and peace.

“ Ila was one of my constants growing up and in the early years of my marriage. She helped me get summer jobs with the Sec of State in WA, and hired me for proctoring jobs later. She was my mom’s best friend. My children all call her Aunt Ila, for she truly is/was family. We spent holidays and regular days together, and she always was loving, welcoming and encouraging. She was my daughter’s adopted ‘grandmother’ when my own mother wasn’t available. We were so blessed to be able to visit with her in December and share our love with her. We came away blessed with much more than what we gave her. She will be missed, but the great influence she made on the Alexander/Taylor family will be felt forever. We love her! “ Growing up I probably spent just as much time at the Jardine home as I did my own. I was felt very welcome really more just like another family member. Clyde and (especially) Ila tolerated my teenage antics but continued to show their love and support too. Ila was that second mother figure for me. She was one of my Mom’s very best friends. I will miss her dearly. I miss Clyde as well. He was a true gentle man! You raised some remarkable children! They are all good, kind, gentle, people in their own right that take after their parents.
I love you Ila. Thank you so much for all of your kindness, and loving me!

“ Dear Cousins, so sorry that your Mother has passed. Growing up on the Jardine ancestral farm in Taylor, I knew your Dad, Clyde, from early childhood. I met Ila at your parents' wedding reception in Tremonton where Kathy and I served refreshments. I first saw your Mom as the beautiful bride. She had picked the most perfect colors for a fall wedding: peach and gold. They were so different from what brides usually choose. Co-incidentally, my mother had just made me a darling dress which had the same fall colors. I fit in well with the wedding party! We reconnected with your parents many decades later in Ogden when they came to visit me and my husband. I was awed by Ila's sweetness and beautiful skin. She told us about her childhood in Tremonton and about other family members who also lived in Taylor. She and I stayed in touch over the years where her love and gentle kindness came through so naturally. She exuded happiness, contentment, and devotion to you and your Dad. I feel blessed to have known her and so grateful to her for enriching the Jardine family. Your cousin, Claudia Jardine McNair

“ Love you Claudia! Please continue to stay in contact with us! I love hearing the stories about my Dad and Mom. There aren't many Jardine cousins so we need to stick together! Love, Diane

“ Melanie I'm so sorry to hear of your loss. What a great rejoicing in heaven when our Heavenly Father and Clyde welcomed your mom with open arms. I know it's a bittersweet time but just remember the next time you see your parents it will be forever. You will never be separated again. (((hugs)))

“ My sweet Ila. My heart aches. She said this was a win/win situation for her but for us it is not. I have a special love for her. She tried and tried to get me to go to quilting classes with her. I finally did and so glad for it. It was a joy that I looked forward to every month. I have learned so much about her. She had a heart of gold. There wasn't anything she wouldn't do for you. I cherish the times we spent with her, Clyde and Louella playing cards. It was a card playing marathon. We would come on a Friday and start playing cards. We would stop to eat lunch and pick back up playing again. We would have to stop for dinner and start back up Lol . We would finally give up around 10 and go to bed. Haha back up the next day eat breakfast and at it again. I love and will miss Ila.

Mary Baker - January 20 at 09:14 PM

“ Mary she loved those card playing marathons! She was also so happy to have you join the block of the month class. She was waiting for me to retire to go too. Now I'm depending on you to help me because she's gone. You've already stepped up in that regard on her last quilt for me! Love you! Thanks for everything! Diane
