

Jaidan Mardell Hall

August 1, 1997 - September 22, 2021

On Wednesday September 22nd, we all lost one of the brightest lights when Jaiden left this world so unexpectedly at age 24. Jaidan was born August 1st, 1997, in West Valley City to Dave and Danni (Woodard) Hall.

Jaiden attended school at West Lake High School where she had a successful softball career. She graduated with honors in 2014. One month later she graduated MATC where she became a licensed cosmetologist. She was able to gain a loyal clientele very quickly with her lash studio in her home.

Jaidan was a talented artist in so many ways. She was super proud of the successful lash business she created and built (Lashes by Jaid). She had a full clientele that all considered her more of a friend than just the wonderful entrepreneur that she was. She touched hearts all while making women feel beautiful. Jaidan loved to paint and was super sweet to share that talent by surprising friends and family with a gift she painted just for them. In her spare time, she was very tech savvy and created a gaming streaming channel and loved playing games and streaming with her brothers. Jaid was a huge animal lover and dedicated so much time and attention to her dog's Lulu and Elle. They were the loves of her life.

Jaidan will be missed by everyone that knew and loved her. She was the most loyal, loving, supportive friend. She was the glue that held her family together. She loved her brothers more than they knew and would have done anything for them. As a daughter, she had a special bond with her mother Danni, whom she considered to be her best friend. Jaidan and her dad also had a very special bond. She is and always will be her daddy's princess.

Jaidan is survived by her mom (Danni) Hall Woodard, brothers Jackson and Justus. Father Dave and Stepmom Jen Hall. She is also survived by her stepsisters and stepbrothers, JC, Makinsey, Avery and Bryton.

“ We will cherish the memories we had with sweet Jaidan. As I was looking through my daughter's keepsakes, I found this beautiful flower painting that Jaidan helped her create during the time Jaidan babysat my two younger children. Thank you Jaidan for the beauty you brought to all our life's.

“ Jaidan; Beautiful girl with the most contagious and genuine laugh, animal lover and such a great friend. She always supported me in everything i did and would always push me to do my best, from doing my make-up and hair for prom to lashes and hair for almost two years. She helped me get through nursing school and would let me rant on and on about silly work stories and my frustrations. She helped me see the world from different points of view and was always a listening ear for me when i needed someone to talk too. The lunch dates after lash appointments, the several concerts we went too in one summer, st George softball tournaments and always being roomies. lake trips with the family, movie dates, card game nights and playing for hours... That one time I got my Ford Focus stuck in the sand at the lake and having to be pulled out by a truck. Jaidan laughing the whole time but also comforting me telling me it'll be okay when i was freaking out about my car being broken and overreacting. I will cherish these memories forever. Im very sad that we lost connection the last few years. I will never stop loving you J-dawg, and I will think about you everyday for the rest of my life. My best softball buddy, my lash girl, my after high school graduation late summer night best friend. Thank you Jaidan for being in my life, even though the time was cut way too short. I'm wishing peace and comfort for your family and your puppies. I love you so much sweet girl.

“ I'm am the luckiest most blessed person to say that jaidan has been my best friend for the past 14 years. I'm so glad I got to grow up with her since 6th grade and without her I wouldn't be the woman I am today. Jaidan will always be my best friend and there is nothing that could change that.

“ I miss Jaidan every second of every day. I will always cherish the last time I got to spend with her having a sleepover and doing each others makeup, and having to go shopping because not enough people saw our cute makeup and outfits for us to be able to take them off! Jaidan was a true best friend soul mate and I will never find that in anyone else. I always knew Jaidan was on the same page as me and knew exactly what I meant. Jaidan is a once in a lifetime friend and I miss her so much
