

## Jarom Olson

August 30, 1979 - February 19, 2020

My sweet beloved husband, best friend and companion Jarom Eldon Olson suddenly passed February 19, 2020 at the young age of 40 of health complications.

Jarom Eldon Olson was born on August 30, 1979 to the late Connie Ann Hymas and late Ronald Doyle Olson. Jarom was a fun loving energetic beautiful soul who loved the outdoors, he could do a back flip off anythin! , He even knew how to communicate with animals, I always called him the " Animal Whisperer". He loved hiking, camping and anything outdoors. He would always say "I hate the city let's go to the mountains!" We went camping lot's even in wintertime it was a joy being with him. He had a gift of light and love he always searched for people to spread his strong testimony of the gospel of Jesus Christ, and most of all the love of our Savior Jesus Christ.

I remember when we would go on our errands he would say "Hey Iris look at that person they need me pull over honey hurry!" I would hesitate first because wanting to get my list done and I was shy. I finally agreed, and he was as happy as a lark, and would go spreading the love of our beloved Savior Jesus Christ.

He was a very intuitive person and the holy ghost would guide him everywhere. Our errands got long sometimes, and it was supposed to be just a simple grocery run. Then I would hear from the person he talked to saying "Thanks, you so much for stopping I needed to hear that." Then he would come back and tell me ok on to the next! I always was smiling with him even when I was upset at him, he just was so loving and kind and full of life! His beautiful legacy was and still is, spreading the Love of our Savior Jesus Christ and if we all can uplift one person a day imagine how much love can be spread around the world! I shall promise to keep your legacy of love my Jarom, and can't wait until the day we are sealed for eternity in the temple of the Church of Jesus Christ on February 2021.

He married Iris Marisol Climent in Cottonwood Heights, Utah on March 9, 2015. The day they met they both knew they found their soulmate, love at first sight! He was a jack of all trades; he was a mechanical genius knew how to build bawhawing machines he loved the

dunes. He was a nature tour guide, which was his favorite job, it never felt like work he said. His favorite family memory as a child was camping at Yellowstone. He loved his Savior and family immensely with all his heart. He was full of life and exuberant with everything he did with complete passion. He will be missed!

He graduated from Moapa Valley High in Nevada. He acquired an Associate degree in mechanics.

He is survived by his wife Iris Climent Olson, and his children: Eldon Olson Hendricks if Wintethaven Florida Grandchild; Mellenia Olson, Who was shared with girlfriend, Brenda May Utah. Daughter: Elizabeth (Olson) Hendricks of Winterhaven, Florida. Stepchildren: Karina Lacayo, Alberto Lacayo (Allison) Lacayo, of Provo, Utah Grandchild; Elizabeth Lacayo.
