

Jay Roden

January 19, 2016 - October 21, 2016

Jay Saleutogi Roden was born January 19th, 2016 in Provo, Utah. About three days after being born, Jay was diagnosed with a rare metabolic disorder. He would spend roughly six of his next nine months in the hospital receiving treatment for this, and subsequent medical complications. Despite the difficult hand he was dealt in this mortal life, Jay could not have endured his trials with more courage, faith or optimism. He was born with a broken body, but nothing could break his warrior spirit. He fought every day with a smile on his face, and brought hope and light to otherwise dark times. After going through more in nine months than many do in a lifetime, Jay was relieved of his earthly struggle and returned home to a loving Heavenly Father on Friday, October 21st, 2016. He is survived by his father, Sam and mother, Jaicee.

Funeral Services will be held to celebrate Jay's life on Wednesday, October 26th at 11:00 am at the Timpview 4th Ward, 1075 West 1100 North, Orem, UT, where a Viewing will be held prior from 9:00 am to 10:30 am. Interment in Orem City Cemetery, Orem, UT.

“ Jaycee, our hearts broke as we heard about little Jay, what a fighter. Know how much you are loved by all who know you. Jay was given a special gift to have you as a Mom, and you have that special knowledge that you will still be able to teach him and grow with him. All our love, Norm and Linda Olaen
