

Jeffery Gordon

March 14, 1957 - March 18, 2020

After fighting a long treacherous battle with muscular dystrophy, (Grant) Jeffery Gordon, 63, returned home to his Father in Heaven on March 18, 2020, surrounded by his family.

He was born March 14, 1957, in the Lehi Hospital to Grant and Donna Gordon. He graduated from Lehi high school. He married his sweetheart Delinda Hope on October 10, 1981 in the Provo LDS Temple. He was a mechanic at Vern's towing and repair for many years and plowed snow and did road maintenance for UDOT. When he retired from UDOT at an early age of 47, he then went to work and play at Talon's Cove Golf course. He loved to ride motorcycles, 4-wheelers, play golf, go to his family's cabin, travel the world, spend time with his family and play with his grandkids. Jeff was always willing to lend a helping hand. He loved to work hard and play hard.

He is survived by his wife Delinda, 2 daughters Hope (Brandon) Mortensen and Brooke (Jake) Gunther, grandchildren, Ruby Mortensen (9) Saige Gunther (7) Ryker Mortensen (6) Dallas Gunther (4) Ryland Mortensen (3) and Troy Gunther (2) his parents Grant and Donna Gordon, siblings Kellie Carlton, Evan Gordon and Chris Gordon.

The family is doing an intimate graveside service on Saturday, March 21 at the Lehi City cemetery.

“ My dear friend, Delinda, my heart broke for you when I heard about Jeff's passing. Words of sympathy seem inadequate but please know how sorry I am for your loss. I hope you feel some comfort knowing that you have been a stalwart caregiver to Jeff. You gave everything to him that was humanly possible. Your infinite love for him is evidenced not only by your diligence in how you cared for his physical needs, but you also never stopped creating experiences for his social and mental benefit that allowed him to live and enjoy his fullest life possible surrounded by his beloved family. The many trips with his children and grandchildren blessed not only Jeff's life, but certainly enriched all of your family's lives.

May you be blessed with a sweet spirit of peace and comfort knowing that you and Jeff have a loving and eternal family, and may God continue to bless and sustain you through your hardest moments.

Love, Karla

“ Our love is with you and you are in our prayers. We just returned from laying my father to rest in similar intimate circumstances, and know you will feel Jeff's presence with you in many ways today. He was and always will be such a good man and his light and example will shine on forever in your lives and the lives of your children. Our thoughts and prayers are with you. May God grant you peace and comfort as you walk into your new normal, knowing he has been freed from his earthly body, and continues to care for his family in a way now that he has never been able to before.

“ I will always associate Jeff with a garage. As my much older cousin, I would always enjoy visiting his house to see what project he had going on in the garage. Building a jeep or a dune buggy, it always amazed me of who knowledgeable he was. He always had a quick sense of humor and a smile, just like the picture.

“ Dear Gordon Family, I have fond memories of school years with Jeff. He was a great friend to everyone from the Class of '75. I share with my family, every Christmas, the story of my stocking that I continue to hang each year. It is a teal felt stocking in the shape of any old fashioned boot. My name is at the top in white letters. Jeff gave me this stocking when we were in 5th grade. It had a necklace and a small box of chocolates in it. My grandpa teased me that it was from my boyfriend. I insisted that it was from a friend who was a boy. and he insisted that made Jeff my boyfriend. At that time, I was much more interested in if Jeff would let me play on his football team during recess. I know that you have sweet memories of your son, brother, husband and father. May those memories bring you peace and comfort in the days ahead. Sincerely, Jill Evans Winslow
