

## Jeffrey Glen Sherman

December 11, 1969 - May 21, 2016

Jeffrey Glen Sherman, peacefully died Saturday, May 21, 2016. He was surrounded by his family.

Last month Jeff was diagnosed with stage four colon cancer. The diagnosis was surprising since Jeff had no prior symptoms. Immediately, Jeff underwent procedures to prepare for upcoming scheduled chemo treatments. Doctors encouraged Jeff to go on their planned family vacation to Disneyland a week later. Though Jeff was weak, he managed to ride the rides, make his children smile and spent precious time with his family. Returning home, Jeff prepared for upcoming chemo treatments; however, due to his health, there were some delays. Friday afternoon, Roberta was inspired to call the doctor. After returning to the hospital and finishing tests, the results stated that Jeff only had a few hours in this mortal life.

Jeff lived and testified of the Plan of Salvation. He accepted his Heavenly Father's will and courageously lived his last remaining hours expressing his love and gratitude to others. His words comforted and brought peace to all his loved ones. He died the way he lived, peacefully and faithfully, without guile or complaint. He returned to his Father in Heaven and will continue to serve and love those he left behind according to the will of the Lord; for Jeff knows of the Lord's love for all of God's children and that He has a plan for each and every one.

Jeff was born in Glendale, California on December 11, 1969. At the age of 11, his family moved to Thousand Oaks, California. Jeff graduated from Thousand Oaks High School in 1988. He earned his Eagle Scout and served a two-year mission for The Church of Jesus Christ of Latter-day Saints in Baton Rouge, LA.

Jeff and his wife, Roberta (Peeples), were friends in high school and eventually married inside the Los Angeles Temple for all time and eternity in 1994.

Jeff and Roberta started their family in Simi Valley, CA. With a growing family they moved

into a home in Thousand Oaks, CA. As their family continued to grow, the decision was made to move to Saratoga Springs, Utah in 2005.

Jeff and Roberta have five children- Megan (Parker) Anderson, Benjamin, Heather, Rachel, and Tiffany. They are expecting their first granddaughter in July.

Jeff is survived by his parents- Roy and Susie Sherman. Siblings: Dave (Lori) Sherman, Danny (Brittini) Sherman, Lori (Dave) Watts, Matt (Eleisha) Sherman, Denise (Ben) Wilkes, and Tammy (John) Keating, and many nieces and nephews.

Jeff was generous with his time and talents. Jeff continued to serve within The Church of Jesus Christ of Latter-day Saints and with the Boy Scouts of America. He was quick to volunteer his service to family, friends, neighbors and ward members. He served with joy and inspired others to be more Christ like.

Jeff loved computers; his hobby became his career. He loved his work and loved his co-workers.

Jeff was a hard worker, a handy man, a mechanic and frugally minded. He loved to shop for bargains. He had a great love for his family, his friends and the Gospel of Jesus Christ. He was kind, quiet, gentle and obedient. Many will miss this exemplary man.

“ I feel like I know Jeff after reading this beautiful obituary. I do know his parents, Roy and Susie. I have known Susie all my life, well since I can remember. Susie and Roy have an unwavering testimony of the Gospel of Jesus Christ. They raised their family in the Gospel. So, I know they know Our Heavenly Father hands are in every aspect of our life and except His will no matter how difficult. My heart goes out to the whole Sherman Family.

“ I never got to spend a lot of time to really know Jeff as most other folks who have commented here. I was invited over for Sunday dinner by Erin, Roberta's sister. I had already met 2 of Jeff's daughters, so it was nice to finally meet the whole family. With the short amount of time that I spent with the family, he was quite humorous and I could tell immediately that his kids were awesome because their parents were.

Sending LOTS of Aloha to Jeff's whole family, especially Benjamin, Tiffany, Rachel, Megan and Roberta - as well as to the Sherman and Peeples Ohana!

“ Jeff was instrumental in the conversation of our two daughters Sonya Erickson and Tiffany Loveridge and myself. Our house was the hangout house for the LDS teenagers. Sonya dated Jeff while in high school. We loved having the Sherman's at our house. Jeff was such a special man, I can't say enough about his kindness and everything he did. Jeff ended up marrying Roberta and having a beautiful family. They were perfect for each other. Jeff rest in peace, until we see each other on the other side. Koyne and Marcia Miles

“ Jeff was my first official boyfriend. We met during our senior year of high school in seminary. I had began investigating the LDS Church the summer before my senior year. I was bound and determined that I would not miss out on going to at least one high school dance, so I took a chance and asked Jeff if he would take me to Homecoming. He told me that he would have to ask his parents and would get back to me. The next day he told me that they had given permission. From there we went to all the dances together, including the church ones. I ended up getting baptized a week before my 18th birthday a few months into my senior year. To say that Jeff and the Sherman family were a great influence on me is an understatement. It was a great blessing in my life to know Jeff and his family. Whenever I visited the Sherman home I was just dumbfounded at the love and kindness that was displayed. There was no pretending either. They truly lived as the Savior taught. This is something that continued till the day he joined the angels in Heaven. He was an amazing husband to his beautiful wife Roberta. He loved his children deeply. He was a hard worker and always went the extra mile in his service to others. I have no doubt the Savior greeted him with "Well done, my good and faithful servant."

“ I grew up with Jeff in Thousand Oaks. We attended high school together and both worked at the Sizzler after he helped me get a job there. He was a great friend. He was kind, gentle and had a fun personality. I could go on and on about the fun and adventures we had together and will always remember his smile.

One of our favorite things to do after work was go and get a piece of cheese cake. I will miss Jeff but know he is in the loving arms of the savior.

“ We sure love the Sherman family and extended family. Jeff spent hours at our home helping with computer issues and wouldn't give us a bill. He and Roberta were much admired and beloved as they selflessly served in our Ward. Much love and prayers, Roberta and kids.
