

Jennifer Brockbank Ward

June 5, 1977 - August 6, 2021

It is with heavy hearts that we share the passing of Jennifer Lee Brockbank Ward. She passed away on August 6, 2021 from complications of covid. She was able to have her family with her as she passed through the veil to the open and welcoming arms of her family and Heavenly Father.

Jennifer was born in Provo, Utah on June 5, 1977, the first of five children, to Merrill and Lee Ann Brockbank. She had many adventures with her family, especially with her best friend, her brother Brent. They were inseparable and made many fun memories together.

Jennifer married Robert Ward in 2001. In time they welcomed their beloved daughter Jordyn into their lives. Jennifer's love and caring for Jordyn will always be with her.

She enjoyed spending time outdoors with her family. Some of their favorite activities were shooting, going to car shows and group car cruises, and spending time with her sisters.

She had been employed for many years at Flowserve and was a valuable employee, most recently working as a production planner. During her time there she had many cherished friendships.

We know that there is a joyful reunion taking place as Jennifer is once again with her grandparents and others that she dearly loved.

She will be greatly missed by all those who love her but we know that her legacy of love and service for her friends and family will live on in all of the lives she has touched.

“ Just wanted to post some pictures up of my wonderful wife for everybody. Even though I cannot be present for her funeral as I am suffering from the same illness in the hospital. Jennifer was a hard worker for this family and was taken way too soon. You were loved and missed. I love you. Until we meet again.

“ It has been a privilege for me to have worked with Jennifer for many years. Although I haven't seen her since the start of the pandemic, I have interacted with her multiple times a day and working with her was a true delight. She was always so helpful and cheerful. She is one of the brightest and smartest people I know. Her passing makes me very sad. My sincere condolences to Jordyn, Bob, Merrill, Lee Ann and all of her family.

“ First time I met Whenever was at a Groo family reunion at Moon lake. It was raining like cats and dogs. We all just talked for hours. Out was a great time. It is a great comfort for our little part of the family to know she is in a better place. Or thoughts and prayers are with you all during this difficult time.
