September 10, 1948 - May 1, 2017

A cowboy has finished the ride of his life and has now traded in his boots for his wings.

John Albert Adams passed away on May 1, 2017 due to cancer.

He was born in Payson on September 10, 1948 to Floyd Henry Adams and Leona Fern Gasser Adams. John was the 5th of 10 Children. His whole life has been centered around his wife and the legacy they created. He is an amazing father to 3 children.

He was an outdoor enthusiast and loved hunting, horseback riding, fishing, camping, and telling stories. John was a master at mechanics. If it needed fixing he could do it. He received his Associates in Mechanics from UVCC and co-owned A&M auto.

“ Was so much fun in our early years growing up in the same neighborhood; up on the hill with John and the Monson's, the Huish's, the Nelson's! Remember playing baseball in an open field close to John's house and "ducking" when someone threw the bat or let it slip; also building a hide-out in the trees and that became our cabin for our club! Always had such a good time with John!  
Will miss him and prayers for comfort for the family

“ Dear Family,  
Johnny was always a quite young man and enjoyed being with family  
I have many memories of him when he visited his Grandma and Grandpa Gasser's  
home. We all had a good time playing and enjoying each other.  
I am sorry for the family that he is gone, but I am very happy for him to be free of his  
pain-racked body and able to enjoy moving again.

Love to His family,  
Aunt Rhea Darling and family

“ I have almost 44 years of memories, to hard to just pick one and share, but would like to say that my dad is the BEST father, husband, Grand father, brother, uncle, friend, etc.. that anyone could ever have. He has touched so many people in so many ways. He is a man that will forever leave boot prints in everyone's lives. My dad has more love and compassion for everyone and everything he did. He put his whole heart into everything and accomplished more in his life than you can imagine. Dad was a man that loved the outdoors and all that came with it (hunting, fishing, camping, animals, nature, etc) and loved it even more when his family was with him. He would help everyone with anything he could, and never wanted anything in return. His most valued possession is my mom. He loved her and cherished her every minute of every day! He also valued his children, grand children, and his family. Dad was always happy and full of life, he was goofy, and he loved to joke around. He would do anything to make people smile and laugh. He would always sing songs to you and tell you stories and his life experiences, which was always entertaining. I am going to miss you dad everyday for the rest of my days. I am glad you no longer have to be in pain and that you are finally able to have peace now. Happy trails to you, until we meet again!

“ It is difficult to write something when your heart is breaking. To Rose (my sister) I want you to know that you are loved by your family in Washington state. Distance does not separate love. John was gentle, kind and loving. I couldn't have asked for a better husband for my sister than John. We are thankful for the times we did spend with him, either on our 2 trips to Utah or their trips to Washington. He was a great

host each visit to Utah. My thoughts and prayers to the Adam's family. John will always be alive in my heart. Love, Violet
