“ Dear Carl and Family,

My loving thoughts and condolences to you at the passing of your wife and mother, Kaye Briscoe.

It has been years since I spent lots of time with Kaye as our paths did not cross all the time after high school. Even though it has been sometime, I have great memories of her as a fun loving, positive woman with lots of energy and a great supporter of others.

May you be comforted by the great memories you share and your faith at this time.

“ Dear Carl, Nina, John, Hayden, Alexis, Darren and family,
Our hearts and prayers go out to you at this most difficult time. It is so hard to lose someone you love so much even though we have the hope of a resurrection and everlasting life. Death is truly our enemy. We certainly need Revelation 21:1-4. Jerry and I have treasured memories in our hearts of getting to know you and having the privilege of coming out to Utah to see Nina get baptized. We treasure the time we got to spend there and the time we got to spend with you in Fortson. We enjoyed our association with you and your family and will never forget the happy times we spent together. Kaye was such a loving person, she was a joy to be around. Our thoughts and prayers will be often to Jehovah to help get you through the loss of someone so special. You and your family will remain forever in our hearts.
Love and prayers to all of you, Jerry and Linda Deal

One of my favorite memories of Aunt Kaye was when the family was all together at your house in Georgia after my Dads memorial. “ Dear Uncle Carl, John, Nina, Hayden, Alexis, Darrin, Rachel, Alyssa and Quinn:

We are so sorry for the loss of such a beautiful, wonderful, kind, sweet lady. My heart is deeply saddened with the loss of Aunt Kaye. You all hold a very special place in the lives of me and my siblings and our families. As we all grew up together we had such wonderful memories with your family. We also treasure the times that we have spent together since you left Milford, Aunt Kaye was such a wonderful example to each of us in our lives. My mom is deeply saddened to have lost her best friend, but we worry so much about each of you. We know that Aunt Kaye has left great memories for each of you, as she has for each of us. Always remember that we love each one of you and will always be here for you all.

The one thing that I am so grateful for is that she is no longer suffering and in pain.

May you find peace and comfort each day knowing how much we love each one of you.

All of our Gary and Gina Mayer
