

Larin Cummings

February 9, 1982 - March 30, 2020

Larin Larae Law Cummings beloved wife, mother, daughter, sister, aunt and friend passed away surrounded by her family on March 30, 2020 following a valiant and courageous battle with breast cancer. She was 38 years old.

Larin was born in Bellevue, Nebraska on February 9, 1982 to loving parents Larry and Angela Law. She grew up in Colorado Springs, Colorado and graduated from Doherty High School having enjoyed participating in gymnastics, volleyball, track and field, choir, piano, anatomy class trips (with Mr. Gigliotti--she loved his class!), church dances and more. She was so beautiful and talented and yet so humble and kind. She radiated light and love to all she met.

Larin attended college at BYU in Provo, UT and majored in psychology. BYU is where she fell in love with Roger Alan Cummings. They were married for time and all eternity on April 27, 2002 in the Bountiful Temple of The Church of Jesus Christ of Latter-day Saints in Bountiful, Utah. They are the parents of 5 incredibly beautiful and talented children who are an absolute testament to the loving mother they were nurtured and raised by.

The Cummings family lived in Orem, Utah, Mooresville, North Carolina and Mapleton, Utah. Larin faithfully served by volunteering and accepting responsibilities in the Relief Society women's organization, the Young Women youth program and the Primary children's organization of her church. She also loved worked together with Roger in his varied church assignments.

Roger and Larin taught their children by example how to find great joy in serving and helping those around them. Larin was the author and co-founder of Liberty Scholars, a value based homeschool curriculum. She created a resource program to help families better educate their children within their homes. Her great passion was educating and she made her own home a center of love and refinement. Larin cherished every moment of every day that she was teaching, singing, and learning with her children. This is seen in her oldest child, Caleb (16) who has already completed his first year at Utah Valley

University as a full time student and honor guard member in their Air Force ROTC program. Her daughters are equally intelligent, talented, and athletic in gymnastics, ballet, and academics. But, more than that, Larin's children know who they are and that they are fiercely loved.

Larin is survived by her husband Roger, her children Caleb (16), Courtney (15), Rebecca (13), Natalie (9) and Ava (7); her parents Larry and Angela Law; her sisters, Chalise Wallace, Lindsey Crossman (Andy), Kelsie Beeston (Garrett); and brother Logan Law (McKell). She was preceded in death by an adopted sister, Allene Ewing (Charley). Larin will be sorely missed by all who knew and loved her! Our hearts are broken but we know she is basking in the love of God and dear family members who have welcomed her home.

Private Graveside Services will be held in East Lawn Memorial Hills Cemetery, Provo, UT.
