

Laura Jean Ross

December 12, 1987 - July 25, 2020

Laura Jean Ross was born on December 12, 1987 in American Fork, UT. After a long battle with depression, Laura sadly chose to end her journey on this earth on July 25, 2020. Laura was the third of five children born to Eugene and Kristine Ross. She grew up in Pleasant Grove and graduated from Pleasant Grove High School in 2006.

Laura had four great passions in her life--being an aunt, listening to music, and caring for those with special needs, and her friends. Laura was a proud aunt and her nieces and nephews brought her great joy. She made time for each of them with special dates and sleepovers. She was an avid music enthusiast and was very passionate about her favorite bands and attending concerts. She also enjoyed caring for and loving adults with special needs--especially those at Chrysalis. Laura had a big heart and loved everyone and she will be greatly missed by all of those who knew her.

Laura is survived by her mother Kristine; her four siblings, Janalyn (Bradley), Erica (Devin), Britton (Taylor), and Jared (Ashley); three nieces and ten nephews, Addison, Blake, Chelsea, Jaxon, Carson, Logan, McKay, Trey, Chase, Miles, Weston, Emery, and baby boy Ross coming in October. She is preceded in death by her father Eugene; her grandmother Valene, Grandma and Grandpa Ross, many aunts and uncles, her dear friends Brian Branagan and Steven Willmore, and Bob Ross.

We will be celebrating her life and sharing memories on Saturday, August 1, 2020 between 7:00pm - 9:00pm at Bonneville Park 1450 N 800 W Orem, Utah 84057.

In lieu of flowers, please consider donating to the American Foundation for Suicide Prevention or an environmental conservation organization in honor of Laura

“ I didn't know Laura but heard of her passing through our shared love of The Avett Brothers. My heart hurts knowing that depression took her life. May the Lord wrap his arms around her family and carry them through this very difficult time.

“ We came for salvation
We came for family
We came for all that's good that's how we'll walk away
We came to break the bad
We came to cheer the sad
We came to leave behind the world a better way

“ Laura made everyone she was around feel like they were her best friend! I loved having her as a primary girl, a young woman, and, most importantly, as a friend! She always had a smile and a kind word for me. When we saw each other, it seemed like it had been days and not years. I will miss her and her beautiful smile!

“ Laura was one of the first people to welcome me into our Single's Ward. She was instant best friends with most people she met. Her enthusiasm for life was contagious, I laughed every time we were together. I have so many memories of her, but my absolute favorite was sledding in our bishops backyard. We got going so fast and were headed towards a fence. We both tried to stop but we were laughing so hard. I ended up getting injured and she ran in the house to find someone to help me. She cared for me through most of my injury. I will certainly miss her checking in on me, I can't believe she is gone.

“ I remember Laura being in a few of my classes and I always looked forward to sitting by her and laughing with her. She was a genuine person and the world is a little bit darker without her.

“ Laura was my roommate, friend, and coworker. She always made sure I was happy. One memory from me specifically: we had a roommate sleepover when I had broken up with my boyfriend. She made sure I laughed through that hard time. Every time I cried she would hug me until I calmed down. She cared so much about everyone in her life.

“ Even though I only met Laura twice she seemed like a nice young woman. I've lost many friends & relatives from suicide & it's been difficult. I can't imagine what you, Kris as a mother are going through & your children are going through. My sincere condolences to y'all. You're in my thoughts and prayers. RIP Laura.

“ Laura was friends with my daughter and always made ME feel like a million bucks whenever she was over. She had a way of making everyone feel loved.
