“ Dear Will and boys,

I was so upset to hear about your loss. Mrs. Terry was a beautiful person and an amazing teacher and colleague. I had the wonderful opportunity to teach with her at Coalinga Middle School, and I know that she was one of the most kind and caring teachers not only here in California, but in Utah as well. Her students were blessed by her passion for life and her extraordinary ability to help others. She was a graceful lady, and the light that she shed on those around her will never dim. My thoughts are with you all. May you find peace during these times as you reflect on the love and joy that she brought you all. All my love,
