“ To Lavon's family, We send our condolences to you all and mourn with you at the loss of a great lady! It has been many years since we were at Lincoln Jr. and Sr. High, but many fond memories of those days remain when Lavon and Weston treated me with respect and kindness.  
Bless you all. We send our love, Tomy and Norma Yasuda

“ To LaVon and Weston Farley family, I would like to just add my thoughts and love for your family. I too spent many summers working by picking fruit and getting to know and love your family. My thought and prayers go out to you.

“ To those members of LaVon's family that I grew up with, Kenyon, Marcia, and John, and the rest of her family, please except my deepest condolences upon the passing of LaVon. I grew up right across the street from you all and I have many fond memories of your Mom and your Dad, picking fruit during the summers, picking up potatoes in the fall, and many other good times when we were young.  
You are all in my prayers during this time of loss and grief, but I,know that you will all be together again with LaVon and Wes beyond the veil for all eternity.  
God bless you all,  
Larry Wilkins

“ Going over to her place for holidays and ate pink popcorn. I remember trying so hard to play with the marble set and eat the popcorn at the same time, but all of the adults never let me.
