“ Linda was my sister. She was always kind and had tremendous strength. Although she had multiple ailments, she shared her testimony with anyone who would listen. She loved being a grandma. Being on a limited income, she was always determined to make sure each child knew Santa Claus, and that he held a special place in his heart for each of them. Each child was taught about Jesus Christ and knew she had a real knowledge and love of the Gospel. She attended Mt. Jordan Junior High School and attended Jordan High School. She dropped out her senior year of High School in order to marry the love of her life, Kent Eyner Nielsen. They married at our family residence. I remember making multiple batches of divinity for their wedding. They also served Mexican wedding cookies which I made for them. They were later married and sealed in the Temple. Linda loved life and all it had to offer. She would give the shirt off her back to anyone. I love and miss my sister. I wasn't aware of her death due to my own health problems, until many years later. She had one son, Kent Eyner Nielsen. She was so proud of Kenny. He married Tina and they had 3 girls and 1 boy. Her son was one of the first missionary's to be sent to Mongolia. She was so happy he completed his mission. He went on to graduate with his wife Tina, from BYU, with their masters degrees. She will be missed, until we meet again. Heidi Anderson, RN

“ I have been doing some family research and Linda's grandmother was Charlotte Ward who was my grandmother's sister Ruth Ward Basler. Are you really her sister? I thought she only had one sister Gretchen if you can please write me back. Thank you
