“ For many years, Lloyd was a good friend and mentor to me. Lloyd was hired by Novell a few years after I was. We worked on the printing team that provided our customers with printer-sharing solutions on their networks.

Lloyd took the lead to design and implement the Print Server/Remote Printer solution which took our product to a much user-friendly level. Through his help, I was able to leverage the code he wrote to make the same solution available for our customers in Japan and that helped our product NetWare to be a huge success there.

Lloyd introduced me to his family when his girls were young. On that and subsequent visits to his home, he always made me feel that I was his honorable guest from Taiwan.

I've always admired his wits in finding solutions to challenges in software. I will always cherish our friendship and the good old days we had together at Novell. I will always remember him for his integrity and his kindness to me over the years.

“ Living next to the Honimikle family for years I still can't spell. I truly grew to love and respect Gloria and Lloyd. He would tease, and tease me, I tell him "Be nice, I may be your best friend!" I always learned so much in his Sunday School classes. So much knowledge

“ What a brilliant and humble man. He was a loving husband and father and friend to all. I will always cherish the friendship Fred and I had with Lloyd and Gloria. You children are such a great tribute to your parents. May you all have the comfort and peace you need at this time. You are in my thoughts and prayers. You will be watched over from heaven. “ I am a better person for having known Lloyd. My children love their grandpa. I will always remember the times I spent with him. I am happy for him now that he is with Gloria and his folks. He lived a good life. A life to be celebrated for sure.

“ Lloyd was a great man, a great father, and a great nephew! He was always so generous with friends and family. We particular enjoyed his great sense of humor. He was also a spiritual giant. He will be missed but we share with his family the knowledge of him now being in a better place, free from the ravages of health issues. He is now with his wife and parents and other loved ones. Sending our love and prayers to the family. We enjoy our close friendship with them. Rich & Barb Perkins

“ Lloyd is my nearest cousin in age on our dads' side of the family. He was one of the most brilliant people I have ever known and had a fabulous sense of humor. Unfortunately distance has made it difficult to stay closely in touch. I will miss him so much!
