“ *We loved getting to know Marjorie through the SF First ward and DUP. She loved her family and her heritage. It was great to hear her give lessons on Pioneers and to hear how she was so enthusiastic about learning. She was a great lady, and has been missed by our DUP camp since she moved to Payson. I'll always remember her smile and positive attitude.*

*May God bless your family.*

“ *I'm so sorry for your loss. I heard many stories about her from my Mom, Carol Hansen. I find peace in the thought that they are reunited and together again. My Mom loved her so much. I wish all your family peace and comfort during this difficult time.*

“ *Mom, I remember the first day that I meant you. How beautiful you are and how much I loved your sweet voice. I would always tell you how beautiful you are and you would get so embarrassed. I never understood why. In my eyes and many others you were just as I told you, so beautiful and so very sweet. I'm so thankful for god for bringing you into my life. I love you so so very much Mom. I hope you find everyone and everything that you have been waiting so long to see. I will miss you but find peace in knowing that I will see you again. Thank you for being my Mom. I love your Beautiful Face so much. I locked you in my Heart forever. Your forever in my Heart and will always be on my mind. Love you always and forever Mom ❤️ Love, Jackie.*
