

## Mark Otis Hamilton

May 16, 1957 - March 23, 2020

Mark Otis Hamilton, most beloved father, grandfather, brother, and friend passed away peacefully, on Monday, March 23, 2020. He was 62 years old. He was born in Provo, Utah on May 16, 1957 and was a most loved son of Otis and Belva Hamilton.

Mark was truly one of the good guys in this world. He was admired for his kindness, intelligence, compassion and creativity. However, the thing we will treasure most about Mark is his sense of humor. He had the ability to bring laughter and joy to any situation, and his smile radiated that joy. Mark brought much happiness to so many.

Mark grew up in Edgemont (Provo), Utah. He graduated from Orem High School, and then got a degree in Electrical Engineering from Weber State University. He lived in Springville, Utah most of his adult life. He loved his little city, his home, and the place he raised his three sons. Mark worked for Springville City for the duration of his career.

Mark is survived by 2 sons, Casey (wife, Haley) Hamilton, Brady Hamilton, grandchildren, and siblings, LaDawn (Craig) Godwin, Randy (Kelly) Hamilton, Marilyn (Scott) Berryessa, and his love and best friend, Charlotte Evans Waters. Preceded in death by his son, Skylar Hamilton, and parents, Otis and Belva Hamilton. He is so loved and will be greatly missed.

A small graveside service will be held for immediate family in the Springville Historic Cemetery. A celebration of life will be held at a later date.

“ We have shed some tears to see this sad news. We first met Mark when he and his wonderful parents came to Nauvoo. Mark had just graduated high school and was lonely and lost for friends. He would come to our house and fix bicycles and take our children to the movies. He introduced us to a CB radio and of course installed it for us. He could do just about anything he put his mind to. I think he still has the record for the fastest time to drive to Fort Madison, Iowa including the bridge. We learned to love this young man. We have loved him for all the years since. Please know that we and our children have wonderful memories of a caring, loving man named Mark. We send our love and prayers to all the family. “ I grew up in Marks ward in Edgemont. I have fond memories of he and his family. One in particular was driving up to BYU with a bunch of us and we had a fire extinguisher. We would fire it at people walking around the campus and hurry and drive off. I'm sorry for your loss and grieve at his life shortened so soon. RIP Mark.

“ I met Mark when his family moved to Nauvoo. He was so much fun to be around. We used to go to the movies or bowling together. He always drove a hundred miles an hour, for real. It scared me sometimes but I did not care because we were having so much good, clean fun. Even though I have only seen him once or twice since Nauvoo, the memories of spending time with Mark will always be fond ones and dear to me. i am sad today.
