“ Max was the craziest kid and always kept me smiling! No one knows how to go on an adventure quite like maxers that's for sure! From riding around in the mud at our grandparents home in Fillmore to playing capture the flag with glow sticks on the High School football field, he was always up to have a good time! I miss him every day and I hope he knows how much we love him! Love you cuz. Fly high 🦋🦋

“ Max was the nicest kid. We had math together junior year. He'd always come in late with a drink from hart's. I still have a gym wrapper heart he gave to me in class. Something always told me to keep it so i did in the back of my phone case. It is so simple but I will cherish it forever. Rest easy max! Love you!

“ max was one of my very best friends and I have so many funny and crazy memories with him. one of my favorites was when I went with him and Bridger to go scouting for deer. I remember he was driving his truck and I was sitting in the middle of them. we were trying to find music on the radio but there were barely any stations because we were up the canyon, but we danced and sang anyways. max was always the funniest and nicest person in the room and he always had a smile on his face. from the first time we met I knew he would be one of my best friends. max had a huge impact on my life and I've never met anyone like him. I will miss max forever and never forget about all of our fun times together.

“ Max once told me that if we both weren't married by 25, we would meet up in October in wendover and get married. There was never a time we hung out, and he didn't make us all laugh the whole time. I have never met anyone that lights a room up quite like he did. Fly high my friend
