“ Grandpa,
I will miss you. I wish that we got to spend more time with each other than we got. I feel bad that I didn't talk to more on Thursday. I just couldn't take it. I was actually crying at Disney Quest on the Thursday before you died with everybody asking me what's wrong. Even though it was supposed to be a happy occasion. You were the best grandpa and granddaughter could ask for. I love you so much and forever will. I will see you again. You will be in my thoughts everyday. Thank you for teaching me even the littlest things. I will miss you coming to visit us. I love you.

All my love,
your granddaughter,
Miranda Foote

“ I am so sorry to hear about your dad. I know he was a great father to all of you and your spouses. I know he loved your children very much. He was a good frined to me and appreciated how he kept in contact whenever he was in Salt Lake. I will miss him!
