

## Natalie Kymm Tobler

December 18, 1980 - October 30, 2021

Natalie Kymm Blankenfeld Tobler, age 40, passed away October 30, 2021 after a courageous battle with brain cancer.

Natalie was born December 18, 1980, to Ken and Nancy Blankenfeld in Sacramento California. She grew up in Sheridan, California and graduated High School in Cle Elum, Washington. She attended Ricks College in Idaho, where she met her eternal companion, Kenny Tobler.

They started their family in North Texas, and then had stops in Lubbock, Texas and Temple, Texas while Kenny pursued a medical degree and specialty training. Natalie was a determined mother during this time, and at one point had four kids under age six. She was on her own a lot as Kenny worked long, exhausting hours, but despite this, she developed skills in woodworking, decorating, cooking, gardening, and sewing.

Raising kids during Kenny's medical training meant that she couldn't spend much time riding horses, which was her greatest passion, but a sacrifice she was happy to make as she loved being a mother. When her family moved to Lindon, Utah she was able to build a barn and have all the horses and animals she could talk Kenny into. On her new hobby farm, Natalie spent her free time riding horses, gardening and remodeling her home.

Natalie was a member of The Church of Jesus Christ of Latter-day Saints and loved to teach children at church. She spent most of her adult life in the primary.

She is survived by her husband Dr. Kenneth Tobler, children, Wyatt, Reese, Ella, Charley and Rex Tobler, parents, Ken and Nancy Blankenfeld, Brothers, Rusty, Tanner, and Skyler Blankenfeld, sisters, Emma Smith and Randi St. John.

Friends and well-wishers are invited to a campfire celebration at her home in Lindon, Friday, November 5th from 6:00 to 8:00 pm.

Funeral Services will be held Saturday, November 6, at 4:00 pm, at The Church of Jesus Christ of Latter-day Saints building located at 731 East Center Street, Lindon, Utah.

Funeral Directors: Utah Valley Mortuary.

“ I met Natalie at parent/teacher conferences a few times, but I knew her best through two of her incredible children, who I had the privilege of teaching. She and Kenny raised a beautiful family and her goodness and strength will continue to shine in the each of them. I'm so sorry for you loss, Tobler family. Condolences and love from the Abbott family to yours.

“ I’m so glad we got to do so many sister trips within the last few years, even though we lived far away from each other. Some of my favorite memories are with my posse. I will hold on to our memories forever sis. You taught me so much. And I will miss our therapy sessions.

“ There aren't enough words to tell the story of how amazing and talented Natalie is. Beautiful, kind, smart, funny and loving, she was truly the best. I'm so grateful to have her as my sister-in-law and friend. I hope to become more like her as I grow up and will strive to emulate more of her in my life. Love you Nat.
