

Nick Larry Walker

September 29, 1998 - May 16, 2021

Nick Larry Walker of Orem, UT, unexpectedly passed away doing what he loved, at the age of 22, on May 16, 2021. Nick was born on September 29, 1998, in American Fork, Utah, to Nathan Walker and Kimberly Clark. He was mostly raised in Lindon, UT but moved around to different cities in Utah County. He was the second oldest child in his family with one older sister, two younger brothers, and two younger sisters that all admired his loving heart and hardworking abilities. He attended Rocky Mountain Elementary, Oak Canyon Jr. High, Timpanogos High School, and Pleasant Grove High School.

Nick is the definition of a free spirit; he was fearless and lived his life to the fullest. He had a LOT of interests and hobbies throughout his life. As a kid, he grew up playing just about every sport that you could think of. He was a natural athlete and enjoyed being on the field playing ball. If you had the chance to be his teammate or watch him play, it seemed he was always an all-star, from hitting home runs to throwing touchdowns. He was especially great at baseball and played on several travel teams that won some significant tournaments. Growing up, Nick enjoyed playing wiffle-ball in the backyard or basketball in the driveway with his family on Sunday afternoons. When he wasn't playing sports, he liked to do anything that involved going fast: four-wheelers, dirtbikes, mountain bikes, and when he could drive, he enjoyed fast cars and motorcycles. He enjoyed having airsoft gun wars with his friends and going target shooting with pellet guns. Later, he enjoyed shooting real guns. He loved anything to do with the outdoors from camping, boating, fishing, hiking, and riding dirt bikes all over Utah.

When Nick turned 18, he began working at Mitchell X as a mechanic in their truck shop, turning wrenches on pickups and semi-trucks. He eventually followed in his dad's footsteps and started working out in the field, running the equipment, and learning the ropes. He was a hard worker and became a significant part of the Mitchell X family. Nick was the life of the party and loved nothing more than having a couple of beers with his buddies after a long day at work. Nick touched a lot of lives throughout his life and he seemed to always be smiling. He had a contagious laugh that you couldn't help but smile when you heard. If you were lucky enough to know Nick, you know that he was kind,

funny, smart, loving, hard-working, fun to be around, and always stood up for the right thing. He was taken way too soon and will be missed more than words can say.

Nick is survived by his parents, Nathan and Tosha Walker and Kimberly and Jeff Wilkinson, his siblings, Josey (Mark) Daley, Tanner (Jennie) Walker, Lily Walker, Riley Bunker, and Xander Walker, his beautiful niece, Harper Daley, his grandparents, Larry and Dorothy Walker, Lynn and Kathleen Clark, Kent and Necia Harris, Judy Slater, and Alexia Yoakum, and his many friends, family, and loved ones. Nick was preceded in death by his Great Grandparents, his uncle Robert Clark, and his dogs Bruiser and Khona.

There will be a Celebration of Life in honor of Nick on Saturday, June 5th from 6:30-8:30 PM at Mitchell X's Shop in Lindon, located at 1455 W 200 S, Lindon, UT. “ My condolences to the Walker family. I know how important families are. Grandpa Larry and Dad Nathan are great people and loved to be involved in supporting their children and grandchildren. I remember going to games where my daughter Kendra played on the same team as Josey. I have seen how athletic the family is! Josey was a great pitcher. I didn't get to see Nick play but I am sure he excelled in all sports he participated in. Just wanted to express my sorrow for your loss at this time. God bless.

“ I babysat Nick and his siblings for a summer when he was 12 years old. He was so energetic, loud, fun and ALWAYS sweet. I have a funny memory of him dancing in my car to “Teach Me How to Dougie” and doing flips off of EVERYTHING possible and giving me a heart attack every time!
He was a good, smart, beautiful boy. I pray for his family and friends everyday that they may be comforted during this difficult time. No one deserves this but ESPECIALLY not Nick Walker and his family.

“ I worked at Mitchell X with nick when he first started out on the field and I still remember that day, he was loading my haul truck with the 470 and I took a picture and sent it to Bodi saying “He has the Mitchell pose” haha from then on Nick got me onto the blue raspberry frooties and I never did see nick without candy. Nick shared his memories of visiting Hawaii with me and said he loved Musubi’s.. I told him I was gonna make him one but I didn’t get to. Nick was solid and always brought me a rockstar in the morning and I never expected or asked. He had a huge heart and was always willing to give me a ride. I’ll miss those talks bro and I’ll miss your crazy party stories. REST IN PEACE BROTHER

“ Nick’s sense of humor was the best and he could come up with the funniest things to say out of the clear blue and then laugh that laugh of his that was so contagious. One time when he was young and we were driving to the North Rim of the Grand Canyon, his ears hadn’t “popped” yet due to the rapid change of elevation and he said something’s wrong. I think I have mud in my ears! We all laughed for days over that one! We Love you, Nick, now and forever.

“ Nick was a sweet young man. Being his grandma, there were times for scolding. Even though he was in trouble for something, he always said "I love you Grandma, and usually a hug! I love you Nick.
