

## Mrs. Norma Hammond Haley Dean

April 14, 1921 - April 17, 2012

Norma Hammond Haley Dean was born April 14, 1921 to Datus and Bertha Hammond in Salt Lake City, UT. Norma's father was instrumental in establishing the Boy Scout organization in Utah. Being the oldest of five sisters, Norma spent her childhood as a boy scout. She hiked, fished, camped and was throughout her life proud of these adventures.

Norma graduated from South High School before attending Utah State University and then the University of Utah where she studied education.

Norma married John Jarvies Haley who gave his life to our country as a fighter pilot serving in the Airforce. Together they had three wonderful boys; Scott, Mark and John.

On February 10, 1954 Norma married her darling, Kenneth W. Dean and they with Norma's 3 rambunctious little boys (Scott, Mark, John) and Kenneth's lovely little girl (Barbara) became a family. Roger and Patricia followed completing the brood. Ken and Norma were lifelong members of the Church of Jesus Christ of Latter Saints. Together they served a service mission. On December 27, 2008 Ken and Norma were sealed in the Salt Lake City Temple fulfilling a lifetime desire. It was a treasured moment for their family to celebrate the eighty-nine year old newlyweds.

Norma traveled the world. She loved new places, restaurants, and shopping. Maui was a home away from home for Norma and Kenneth. They became true islanders during the winters they spent there with their friends and family.

Norma was an amazing cook. We will forever hunger for her potato salad, rolls, spaghetti sauce, mustard relish, chicken goop and cookies. Norma was a generous host and no one left her home hungry.

Norma was an elegant woman. She loved pretty things and created a home and a life that reflected that. She went to the beauty shop every week, her toes, fingers, and lips all shared the same hue. Her mother's art hung on her walls and she had a pair of Keds and

a bracelet to match every blouse.

Family was Norma's life. She devoted every moment to serving, supporting, and championing her children, grandchildren and great-grandchildren. Our favorites were her favorites; she shared our successes and made a celebration out of the smallest event.

Anyone loved by Norma knows a special, unconditional kind of love. It is her gift to the world that anyone loved by her will continue to love as she did---perfectly.

Norma is survived by her children; Scott (Ron Calvert), Barbra Holmes, Mark (Leslie), John (Karen), Roger (Marsha), Patricia (Scott) Sorenson, 25 grandchildren and 35 great-grandchildren.

The family of Norma Dean wishes to express their heartfelt thanks to the staff of Mountain West Hospice. They are administering angels. Over the years she has come to love all the ladies in the office and nurses at Dr. Charles Holts medical practice. She considered Dr. Holt and Julia dear friends and she loved Darin Smith as a grandson. Thank you all so much!

Funeral Services for Mrs. Norma Hammond Haley Dean will be held Friday, April 20th at 12:30 pm at the Tooele South Stake Center, 1025 Southwest Drive (approx 675 West), Tooele, UT, where a Viewing will be held that same morning from 10:00 am to 12:15 am. Interment in Tooele City Cemetery.

“ Normie, we had quite a ride, didn't the four of us!! Every trip to Maui, The World sailings, the Caribbean trip, two trips to London (Opening night of "Cats"), Frankfurt and on to Paris....the list goes on. Ron and I will never forget the 3-day long Phase 10 game!!!

You leave nothing but love behind because you only saw love in each human being. You taught me what true unconditional love really is. You taught me to give back. You taught me kindness.

You supported Ron and I for all of our 35 years together and I thank you for that. We two were blessed to have supportive parents and families.

Aloha Oe was always your favorite Hawaiian song. Here are the English lyrics....until we meet again, my Normie.

"Chorus:

Farewell to you, farewell to you  
The charming one who dwells in the shaded bowers  
One fond embrace,  
'Ere I depart  
Until we meet again

Sweet memories come back to me  
Bringing fresh remembrances  
Of the past  
Dearest one, yes, you are mine own  
From you, true love shall never depart

I have seen and watched your loveliness  
The sweet rose of Maunawili  
And 'tis there the birds of love dwell  
And sip the honey from your lips

“ Grandma-I love you more than you know! I will be forever grateful for the many memories we share. You always knew how to make me feel special and important to you. It was a blessing to sit by your side and have you hold my hand and ask me about my life. You always listened intently. I am so thankful you are my grandma! Until we meet again.  
Love,

“ Mom - how blessed we were to share one more birthday party with you on April 12th with everyone in attendance except for Barbara who remained in Hawaii. It was a tender mercy and gift from God to have you radiant and happy that evening as we celebrated with memories, lots of laughter, a few tears of joy, and many, many hugs. How grateful we are to a loving Heavenly Father to have blessed our lives to have you as our mom. While we won't be able to see you, we will carry your spirit in our hearts and minds forever. Thank you for a life of service and love to your family.

“ Norma Dean was a very special person who will be greatly missed. She was always kind to those around her, and had a way of making you feel better about yourself when spending time together.

She lived 91 marvelous years and is an irreplaceable treasure. We lose a grandmother, mother and confidant whose zest for life and ability to always see the best in people will be cherished memories forever. Grandma, I love you and miss you dearly. Would that we might have had opportunity to embrace one final time before you passed!
