“ Craig,

I was sorry to hear of the passing of your sweet Norma. I know how much you cared for her and how long you two have been in love. The two of you were very blessed to have been together for so long. You have a wonderful family and I am sure many wonder memories of your lives together.

I appreciate your example to me as you took such good care of Norma in her latter years. I'm sure I will be doing the same with my wife as her Post Polio worsens. I will look forward to this summer and a chance once again to golf with you and Stan.

May you and your family be comforted and blessed.

“ Dear Craig and boys,

When I first met Norma it was sort of a kindred spirit meeting. Wow! Another mother of all boys! And what a grand lady! Her enthusiasm for the Boy Scouts was contagious. Our son Aaron became an Eagle Scout at 14 thanks largely to Norma and Craig. Another memory we shared was typing the ward program each Sunday for years. She did a wonderful job and was a hard act to follow. Most of all, I will miss her conversations - she remembered detail after detail and always had something interesting and funny to say. She was also an excellent teacher and example of living the Gospel. She was always willing to share with others and help in any way she could. She and Craig made me feel good every time they smiled or talked to me; there were also lots of hugs. I drove her to her cancer treatments a few years back and never spoke a word - just listened to every single interesting word from her! Your family has always been an inspiration to the Andersons. We love you and know that our Heavenly Father's plan will unite us with our loved ones for eternity. You're in my prayers. I'm sure Darryl was one of the first to greet Norma - he loved her too!

“ Dear Craig and Boys,

How sorry we are to hear of Norma's passing. I remember coming by your house when you first moved in to gather information for the ward. I said to Ann how much I enjoyed the short visit as I have with all our association over the years.

We have the deepest respect for the Shiner family. You have been an inspiration in times of trial and your dedication to the Church is unmatched. So from the center of England, the prayers of a couple of broken-down missionaries go out on your behalf.

Our recollection and reflections of Norma are that of a sweet loving mother who didn't let being the only girl in the family bother her. When we think of her, it always brings a smile and so we hope you, like us, we will always remember the good, the fun and kindness of a wonderful sister in the gospel.

“ What teen girl wouldn't be interested in meeting the new family that moved in when word was they had 5 boys. Little did I know how much of an impact this family would have on me. I gained 5 brothers and Norma and Craig became mom and dad 2. I watched and observed Norma and always felt bad there weren't any girls in the family or were there? I soon realized that no matter what time of day Norma welcomed any of us into their home and always made us feel welcome. Girls, boys, It became a gathering place for fun, parties and much laughter. As a mother to only boys I appreciate her life and dedicated service to the things her boys enjoyed most. I will never be the scout mom she was but I'm doing my best. The Norma I will remember is the one who could talk your ear off (with plenty of fascinating stories and experiences) and type faster than she could talk, the mom who hosted fondue and charade parties and made her boys her life. To Jon, Rob, Scott, Dan & Tom my heart is heavy knowing you will miss your mom but so grateful you have a history of wonderful memories of the person she was. To Craig, you are still dad 2. (smiles) I too have a heavy heart but also grateful for shared beliefs that you will all be with her again someday. I too look forward to that day. I wish I could be there to see you all and give each a hug. But wishes and thoughts from Michigan will have to do. Love Sarah Cannon Cassavaugh

“ Dear Craig and Boys ~

When we moved into the Ward, a family drove by our home and wished us well and made us feel welcome. That was the Shiner family. Even though we had known all of you before, you became very special to us. You are the kind of people who fit the saying, "To know you is to love you." And love you we do.

We have long admired both Craig and Norma and their love for one another, their dedication to eternal truths and willingness to share them with their boys and the rest of the world. We also admire your never failing optimism in the face of difficulties. You have been and continue to be an inspiration to all of us. From across the miles, from Palmyra New York to Bountiful, we send warm hugs, prayers, and shared knowledge that you will be together forever. We love you. Carvel & Bonnie Shaffer
