“ Very sorry to hear about Pam. She was a great neighbor. And even though I moved to Arizona I will miss her.

“ I had the good fortune of having Pam as a sister-in-law. I always remember her in a jovial mood and she did love to laugh. One memory I always think of when I think of her was on a Gatlinburg Tn. vacation, Pam and I and Erin-my son, her nephew--at 2 yrs old went up the hanging cable car. Up the mountain side- was very high up--shockingly so--halfway up--Erin, states --OK I am getting out now ! and he was wiggling out of the belt and trying to step off ! We were so scared and explained -you just can't step off into the air ! We had years of laughter about that day--hope we all meet up someday and get the chance to laugh together again. Lynda Barker

“ Although I talk to Pam many times on the phone while talking to my wife Barbara, I finally met Pam during class reunions and Pam's visits to our home in Baton Rough. Pam was a UNIQUE individual blessed with a warm heart, unforgettable kindness and a love for conversion. I share the love for Pam as Barbara did. But most of all I loved Pam for the once and a live time friendship she shared with my Wife Barbara. Her long phone calls with Barb would always make Barb a better and happier person when they would hang up. I cannot begin to imagine what this lost means to Barb, Pam was that important in her life. Regrettably I was unable to attend the services but my thoughts and prays were always with Pam and her family.

“ Am so saddened to just be learning of this news. Pam was good friends with my sister Debbie, back in Lahore, Pakistan while attending high school, during senior year. She was always so kind, and fun to be around whenever they hung out at our house. I was the bratty little sis, but Pam never made me feel that way, and I looked up to her in many ways. Condolences to her family for their loss.

“ My mom and I lit a candle for Aunt Pam tonight. She was the quintessential aunt. Pam was at every special occasion of my life--baptism, graduation, wedding--and the first one to rush in with all of her love and enthusiasm to give me a hug and tell me how proud she was of me. I have two blankets that she crocheted for my first two babies. She literally wrapped her grand nephew and niece in her love. I will miss her amazing laugh and her great love and excitement for my successes. Love you Aunt Pam! I know she will be watching over those that she loved.

“ I'm lighting a candle in Denham Springs, Louisiana in memory of Pam. Thank you for loving my sister Barbara and becoming an honorary member of our sisterhood. We were fortunate that four sisters became five because of you. I remember sharing a room in New Orleans with you. You and I were the single girls, Ha! Ha! I got to know you and see first hand why Barb loved you so dearly. Rest in peace dear sister.

“ I've know Pam since the 8th grade in Islamabad, she was always so gracious, engaging and fun to be with. I had lost contact with Pam over the years. We reconnected at a reunion in Delaware a couple of years ago and it was as though we had seen each other just days ago. My condolences to her family and everyone who knew Pam. See will be missed.

“ I was the Nemesis for Pammy and she was mine. But that did not stop us from visiting with each other about once a month over the last 30 or so years, as we only lived 30 mi from each other. Having dinner, music, grabbing pretty rocks, concerts, blah blah. There are very few lucky enough to have known her intimately over so many years. I am so lucky to have known such a person so well...if anyone could have known her well. She was complex but our time together was precious. Bye Pam. See you later.

“ I was a classmate and friend from her Lahore (high school) days, and saw her again just a few years ago at a reunion in Delaware. She was always one of the "cool" girls, but in a nice way. It always seemed like she was taking everything in to the fullest, knowing just how far to push the envelope. I'll think of you fondly, Pam Barker! Mark Dunlap

“ Pam was a fun lady. I remember how excited she was waiting for Ashley to be born. The nurse's kept telling her "NO" you can't go back in yet..she was dancing all over the hospital waiting.  
Our thoughts and love go out to you and your family...
