

Patricia Cluff

March 6, 1939 - September 16, 2018

Patricia M. Cluff passed away peacefully in her home on September 16th, 2018.

Patricia was born March 6th, 1939 in Provo, Utah. She attended Vineyard Elementary School and then Lincoln High School. It was there that she met Mark C. Cluff and their love story began. They were sealed August 8th, 1956 in the Salt Lake Temple. They have six children; Doug and Becky Olsen, Orem, Utah; Kyle and Amy Cluff, DeBeque, Colorado; David Cluff, South Carolina; Garry and Judy Hicks, Reno, Nevada; Gerald and BJ Cluff, Provo, Utah; and Verna Begay Taylor, Arizona. She has 28 grandchildren and 37 great grandchildren.

Patricia was an active member of The Church of Jesus Christ of Latter-day Saints. She enjoyed serving in the Primary, Relief Society, and as a Humanitarian Specialist. She especially enjoyed serving in the St George, Las Vegas, and Mount Timpanogos Temples with Mark.

With Mark's work, they were able to travel and enjoyed seeing new places all over the country. In their travels, Pat was Mark's office manager on his construction projects. One of their favorite travel memories was the month they spent in Switzerland in 1985. You couldn't mention Switzerland without another story or two.

Patricia enjoyed sewing and crafting and being with her family. She loved finding quilt stores in every town they went to and her sewing room was and is a "fabric heaven." On their trip to Alaska, Pat found several quilt shops and Dad would find a chair and patiently wait for her to finish rubbing each bolt of fabric and then watch her purchase each one. After that trip she waited for the shipped boxes of fabric to arrive home. She knew what each fabric piece was for. Making pillow cases for Primary Children's Hospital was something she loved to do. She loves bears and had quite a collection. Cinnamon bears and Almond Joys were her favorite treat.

She enjoyed family gatherings, camping, and riding with Mark in their Razor. She had a

love of music, playing the piano, leading music at church, and she especially loved hearing a great song.

Her love of bears can be felt by many. In lieu of flowers...take a minute and grab your child, grandchildren, or even yourself and go swing in a swing. Take a teddy bear to Primary Children's Hospital in Patricia's name.

Much love and thanks to Encompass Home Health and Hospice Care. You have been adopted into our family. The care that our whole family has been given is a gift from heaven.

Patricia was preceded in death by her parents, Mark's parents, and a brother.

“ Jamie & Nathan, I treasure the time we got to hear your Grandma Cluff play the piano at Eliza's baptism. What talent. Jamie remarked how honored her grandma was to have had President Monson give her a kiss on the cheek when her grandma was playing the piano at her uncle's funeral service at BYU--(her uncle had been a BYU employee) and recognizing her for her talent. What a great person she was.
