“ Dear Sue and family,  
I was looking for a relative obituary when I saw Phil's picture. Kay and I were totally in shock! We send our love and condolence to you at this time and pray for the Lord's blessings to be with you during this trial. We've thought about you many times, but have no phone number or address anymore. I called Barbara and Rolland and told them. They didn't have any information either.  
We have such good memories of the fun we always had together with our study group. We pray that you will be blessed with family around you. When you are up to it please give us a call at 801-544-4170. Our prayers are with you.
