“ I am so grateful I was able to come to his birthday open house last year. I know we talked way too long, but that is such a precious memory for me. He was always such a kind and loving cousin!

“ I am Phil's first cousin. Because we lived in California, I hadn't seen him for a long time. When we reunited at some kind of family gathering about a decade ago, we talked for a little while. He then told me my birthday and the birthdays of all of my siblings. I was absolutely astounded at his amazing memory. He was a wonderful man and I'm glad I knew him.

“ Uncle Phil was the most genuine man with such a kind heart. I never saw a frown or heard an unkind word come from him. He always had a smile upon his face. I remember some of his silly song and his laugh. He had his own funny laugh. I was so glad of those that came to get him. What a wonderful reunion!!

“ My condolences. I always liked Phil. Prayers to the family. We weren't close but we could always kid around with each other when we saw each other. Proud to have known him. God bless.
