“ I'm so sorry for your loss. I can't even imagine your pain. Losing loved ones is overwhelmingly painful. One thing that brings me some comfort is what the Bible says at Isaiah 25:8 "He will swallow up death forever, and the Sovereign Lord Jehovah will wipe away the tears from all faces." We look to God through Jesus and his Kingdom to do this. My wife and I hope you find comfort as you endure your loss.

“ My favorite memory of Rachel is watching my brother, Tom and he beautiful girlfriend, Rachel promenade through the wicker arch at the prom. The theme was "A Time For Us". Rachel wore a beautiful blue dress, which my mother sewed for her. She was a delightful guest in our home many times. Always had a great sense of humor, and was willing to join in a family dance. She had high goals for herself. She talked of becoming a nurse, and she worked hard to fulfill her goals and I admire that.

Tom was extremely fond of her and wrote about her in many letters he sent to me while he was away from home. i'm glad they finally had their "Time For Us".. I'm sorry it was so short and ended abruptly.

She was so good to my folks, and our family. Goodnight sweet princess, and flights of angels sing you to your rest..

“ Rachel is a wonderful friend, very hard worker, and an excellent Nurse. I had the pleasure of working with Rachel for to many years to count at Utah Valley Regional Medical Center. Rachel was an excellent mentor to me and taught me lots in the Operating Room. You will be greatly missed!

“ Being her daughter's close friend I have fond memories of Rachel from my childhood and teen years. From trips in the motor home to playing games, I remember her happy when she was having fun with those she loved. I loved her witty sense of humor too. She leaves a legacy of love and happy memories as well as incredible family, children and grandchildren, whom I am privileged to know.

“ Rachel Ann, You are my friend and i am going to miss you. Your sweet nature, yet practical and to the point. You taught me a few good lessons which I shall never forget and i am better off for having known you. I know your spirit will dwell with us on the mountain from time to time--probably when I (or someone else) needs some reassurance or maybe a kick in the butt. God bless, Shelly
