“ Dear Joyce,

I was so sorry to hear that Ray had passed. It has been years since I spoke with you, but I served with Ray right after my mission as his assistant in the 11 year old Scouting program. That is a hard job at times but Ray always pulled it off with patience, understanding and love. I'm missing him so much just thinking back on that time.

Please know that we love you and are praying for you and your comfort at this time. In my life he always will be a giant. A patient man who took time to care about me and those around him. May the Lord be with you at this time.

Love,
Doug Pulley
