“ In the early 70's dad built a custom chopper he showed at the autorama salt palace in salt lake city. I got to go, and it was my first car show. I remover what seemed like hundreds of flash cubes going off of cameras taking pictures of him and his bike. He won 1st place in the motorcycle class. This one of many memories I will cherish the rest of my life.

“ In September of 2017, the Campbell and Perrine families made a trip to Utah to see Grandma Hopkins. We wanted to take Grandma Hopkins to the sand dunes. Rick heard of our trip and said he would come and bring his “toy.” Rick gave us all a ride in his “toy” around the sand dunes. He made the trip to the sand dunes memorable!
