“ My deepest condolences for your loss. Draw close to our Heavenly Father, and may he grant you the mental peace you need during this time of distress. Reading the future promises in Gods word at Acts 24:15 ,John 5:28 , and Revelations 21:4 may soothe your heart now and the days ahead. “ Your home was where I went when I had to get away from mine.. I always felt safe, and protected in your home. It will be different not having the warmth and love you had brought, but I'm sure with your incredible family it will not be hard to fill. All of my memories with you were filled with laughter. I appreciate how strong of a mother you have been to my best friend, and I appreciate all the little things you have done for me. You will truly be missed. I love you so much Rita. Rest in Paradise beautiful.

“ Oh man, where do I begin...
It's so hard to believe that you are really gone and you're not coming back..
I miss you so much mommy.. And I have no idea how I will make it without you here to help guide me.. But I know that you would want me to stay happy and be strong so that is what I am going to do. I love you more than anything and may you rest in paradise. You are my gorgeous Guardian Angel??????
