

Rob Oaks

January 22, 1980 - July 31, 2018

Robert James Oaks, age 38, passed away Tuesday, July 31, 2018 at Intermountain Medical Center in Murray, Utah.

He was born January 22, 1980, in Provo, Utah to Cheryl Ann Crawley. He was a 1998 graduate of Timpview High School, served an LDS mission, and studied at Virginia Military Institute. His friends all know him as Big Rob, his smile was as broad as his shoulders. He had a contagious laugh, a grandiose personality, and gave the best bear hugs around. He lit up every room with warmth, kindness, and positivity. Robert put his family first, and was a loyal friend to many. Robert and his Uncle Phil were often times inseparable, and frequently called to serve - especially when it involved moving or heavy lifting. We will always carry the precious memories of Robert in our hearts.

He is survived by his girlfriend Karen Dursteler and her two sons, Quinton and Hayden; his siblings Clinton R. Oaks, Amber K. Oaks, Tiffany L. Oaks, Christian C. Oaks, Rebecca J. Oaks; their spouses; his nephew Brayden J. Oaks; his grandmother Barbara N. Crawley; and many aunts, uncles, and cousins.

Family, friends, and all whose lives Big Rob touched are invited to the funeral services Thursday, August 9, 2018 at 11:30 am at the Lindon LDS Stake Center, 1050 E. 100 N. in Lindon. Friends may visit with the family at the church prior to the services from 9:30 – 11:00 am. Burial will follow in the Orem City Cemetery.

In lieu of flowers, donations may be made to the family.

“ Rob was always smiling, funny, honest, and willing to go above and beyond for the people he cared for. Wow. I'm so sorry to hear this news. May his body rest peacefully and his soul shine brighter than before.

“ I remember Rob from a little boy until he grew to be big Rob. It was always a pleasure to be with Rob. One Sunday he visited our home. After dinner, we went for walk. We had some good laughs as we talked about life, work, and plans for the future. We had a great time! That memory is the one I will keep of Rob until we meet again.

“ I had the pleasure of dating Rob in college. He changed me and set the bar very high! He always had a smile on his face and lit up any room he was in. People were drawn to him. I'll cherish the memories we had together...especially Ring Figure! You will be missed so much! Love you!

“ I worked with Rob for three and a half years. No matter what was happening he was always positive and smiling. If ever I had something going on in my life, he was there for me to cheer me up and bring light to my day. Rob will always be one of the best men I know and am beyond lucky to have known him. His parents and family should be so proud of the son they raised.
